Spring Tri-Ship Dance Apr. 8 Is All-School Event

Here's good news for every student, and not a few teachers, of New Trier! The spring Tri-Ship dance, an annual affair, will be held on April 8 in the student refectory, as it is called by the more aesthetic-minded of New Trier.

This occasion probably will be the only dance held until late May or June, as Old Man Depression has fairly well succeeded in flooring the others, so that no one can afford to miss the event. Three happy hours will be spent floating in dreamland to the strains of the Holmes-Weese orchestra, composed of a number of local boys who have made good. "Bing" Thackery will also be on hand, provided that the moon is not hanging too high above. A pleasant time is offered to all.

These school dances are the only opportunities that the student body has for enjoyment as a whole, outside of the regular class schedule, of course. It's not too late to get a date, children, so secure a ticket and be there with bells on (if they'll let you in that way). The precious ducats will be on hand as soon as the printing concern is able to silver plate them. A strong group of New Trier's athletic heroes will be on hand to guard against peeping Toms, it is announced.

Remember the date, April 8, and the occasion, the annual spring Tri-Ship dance. See you there!

Girls Will Finish Cage Meet Next Wednesday

Only one more week of basketball remains for the girls, and the adviser room tournament is almost finished. All of the teams have one more game to be played; so far the following teams are undefeated: Maloney, M. Hamilton, Brady, Thorne, La Metre A, and Evans. The teams are being chosen this week from the classes, and all the tournaments will be finished by Wednesday next week.

After the games are over on Wednesday, there will be a tea to which the first and second basketball teams and the dancing groups are invited.

Freshmen See Pictures Sketched on World Trip

The freshman girls at New Trier are having a series of assemblies. Last week Miss Carol Lou Burnham, who recently made a trip around the world, gave a very interesting talk on these travels and showed some fascinating pictures which she sketched or painted.

Miss Jessie Sentney, of the French department, will give a talk this week on her experiences in China and Japan. She made this trip to the Orient last year and has added to her reputation as an interesting speaker with these experiences.

WASHINGTON CHEFS

Will Say It With "Eats" for New Trier
Students Who Will Soon Inspect
Nation's Capital

Only one week remains before those fortunate students who already have signed up for the annual spring Washington trip will depart for this nation's capital. Every year this trip is held during the week of vacation in order to rest the weary students for their coming labors, and those who have attended past trips have one and all proclaimed them a great success.

Movies of past trips were shown Thursday by F. D. Friesbie, faculty sponsor of the journey. A large number of students attended these previews, and the inspiring sights portrayed on the silver screen aroused many to sign up for this year's holiday amid the historic and interesting sights of Washington. The chefs in Washington are equally good, it is announced.

There is still opportunity to join the group of students who are taking the trip this year. If you are hungry for education or just hungry, this trip is what you need. You can't afford to miss it!

Students going on the Washington trip this year are: Priscilla Hawley, Brenna Hawley, Ruth Kerner, Caroline Clark, Alice Freeman, Janet Chatten, Howard Fogg, Robert Kiel, Paul Clayton, Betty Turck and Gertrude Birmingham.

New Trier Stamp Club Conducts Busy Program

The New Trier High School Stamp club, under the leadership of Harry C. Pifer, has for many years been a popular organization for students interested in philately. This year the work of the club has been under leadership of Edward Johnson, president, Jerry Born, vice-president, and Betty Best, acting secretary.

In the regular bi-monthly meetings, talks have been given by members of the club, and prominent philatelists of the north shore have shown their collections. Later in the spring an exhibit will be held, and as in the past, ribbons will be given as awards.

The club maintains a subscription to several stamp magazines and every year buys a catalogue, all of which are kept in the library for reference.

Diana Huebert Secured for Scholarship Benefit

The New Trier High School Girls' club announces that Diana Huebert, an Individualist dancer, will give a program of dances—modern, dynamic and dramatic—on Friday, May 5, in the auditorium. Miss Huebert has been highly recommended by many groups, and the Girls' club is considered fortunate to have so renowned a dancer as the guest artist. The program will be given for the benefit of the scholarship fund.

A. A. U. Record Set by Mile Relay Team

New Trier's mile relay team won first place in the Central A. A. U. meet held at the University of Chicago fieldhouse, Friday evening, March 24. Axel Newton, New Trier's star sprinter, copped fourth place in the 60-meter run—open championship—and also second in the special high school dash.

Newton won his heat of the 60-meter trials in :6.9 which is two-tenths of a second better than the old American record, beating Metcalfe's time in his heat. In the finals Metcalfe ran the distance in :6.8 and Bob Grieve of Glenbard High school was second. Brooks, the Negro star of Chicago, took third and Newton got fourth, beating out Burling of Oak Park, who tied the world's high school record in the fifty a few weeks ago.

The surprise of the evening for New Trier followers came near the close of the meet when their mile relay team, composed of Buckmaster running first, Weinstock running second, Barber running third and Price bringing up the rear, broke the record in this event by clicking two seconds off the previous mark which was set by Maine Township in 1931.

The relay team was given a trophy and four medals.

Saturday.

N. T. Girls' Club Entertains Visitors

The New Trier Girls' club gave its first social tea for another Girls' club on Wednesday, March 22. The guests were girls from Maine Township High school and Proviso High school. The object of the tea is to make it possible for the girls of other schools to get acquainted with each other.

Janet McNulty, the president, in the name of the club, welcomed the visitors. Then there was a short entertainment. Margaret Loomis, the secretary, played two light classical numbers on the piano. Marion Barber, the social chairman, said a short piece in French dialogue. Virginia Dressel sang several popular songs which she accompanied with her ukulele.

Following the entertainment, tea was served by members of the Social and Friendly committees, and the girls had a chance to talk with one another and ask questions about the different schools.

TWO MUSIC CLUBS MEET

The members of the Junior Music club were the guests of the Senior Music club at a special meeting on Thursday, March 23, at the home of Dora Crawford in Winnetka. The guest of honor was George Swigart, a graduate of New Trier, who played a number of violin selections.

Oak Park Relay Carnival to Test New Trier Speed

The New Trier track team will enter a squad in the Annual Oak Park Relay Carnival to be held in the Oak Park Fieldhouse April 1.

There are to be four relays including a medley, one-mile, two-mile, and a sprint relay. Also there are to be special events in mile run, shot, pole vault, high jump, broad jump, hurdles, and a 50-yard dash.

New Trier is entering men in all of these events except the mile and using the milers in relays. The Green-Grey boys' best chances lie with Newton in the 50-yard dash, Schuman in the special shot, Newton and BALLENGER in the low hurdles, Bollenson and Thorsen in the high jump, and Rex Martin the broad jump.

In the relays Coach Ney said that he will concentrate all of his strength in the two-mile and eight-lap. He will split up the mile relay team of Buckmaster, Wienstock, Barber and Price that won the A. A. U. last Friday and run Seiler, Barber, Blades and Wienstock in the eight-lap race. The two-mile relay will then be run by Buckmaster, Price, Jones and McCabe. In the four lap-relay Newton, Bothof, Hallquist and Thackery are entered. The medley, the last race of the evening, will probably be made up of Junior track men.

The Oak Park Relay Carnival is the biggest indoor meet of the season with approximately sixty schools in the state of Illinois sending teams. This year it will take the place of a state meet which is usually held late in May at Champaign.

Noon Movies Provide Comedy and Education

Once again last week the more aesthetic-minded of New Trier dropped in at the noon movies which again proved to be comical with just the right amount of an educational touch. These movies will be held only as long as the New Trier student body supports them. Proceeds from the show last week went toward securing Ellery Walter, a famous traveler and delightful speaker, for a New Trier assembly.

ALUMNI NEWS

Word has come from Rockford college that Janet Hall, '31, and Olive Brower, '32, have been awarded letters by the Woman's Athletic association. Miss Hall was awarded her letter for having a total of 1,000 points for participation in sports. Miss Brower won a place on the varsity swimming team.

Evelyn Wienecke and Alice Hillinger are other New Trier graduates who have been awarded their letters at Rockford college. Miss Hillinger was a member of the varsity swimming team, and Miss Wienecke has been a varsity basketball and hockey player.

Numerous old grads have been around this week, renewing former friendships. Among the visitors were: Tom Hicks, Ed Cullen, Dow Hughes, Roy West and Eliner Berol.
