### Dr. Tarbell, Magician, Performs Here April 22

Magic-minded citizens of Wilmette will greet Dr. Harlan Tarbell, world famous mystifier and entertainer, at the Wilmette Masonic temple Saturday afternoon and evening, April 22. Two performances will be given, at 2:30 and 8:15 p. m., under the auspices of the Men's club of the First Congregational church, the proceeds of which are to go toward a fund for the maintenance of the church choir.

"If you have not already made arrangements to attend this presentation," reads an advance notice, "be sure to set aside Saturday afternoon or evening for the thrill of your life. You will see the magic of the Orient; the famous East Indian rope trick; the Oracles of the Desert; the much talked of psycho-vision, wherein Tarbell sees with his fingertips, after being securely blindfolded with adhesive tape.

Dr. Tarbell has appeared before leading clubs and organizations throughout America.

### TO COMPLETE SEWING

The last sewing meeting of the Red Cross workers of the Wilmette Parish Methodist church will be held on Tuesday. It has been stated that these women have done more than any other one group. Mrs. S. I. Kaufman is in charge. Seven thousand garments have been turned out by north shore workers, who will start again in the fall.

Halbert, son of Mrs. H. O. Crews, 1219 Ashland avenue, returned to his studies at the University of Illinois on Sunday. Gertrude Stanton of Urbana was a recent houseguest of the Crews family.

### Arrange Details to House Visitors Here During Fair

Wilmette residents who list with the Wilmette Chamber of Commerce the number of extra rooms they will have available this summer for the housing of visitors to A Century of Progress exposition can rest assured that those rooms will be filled, B. T. Clark, secretary of the Chamber said this week.

Mr. Clark stated that the Chamber is making arrangements with travel bureaus that will bring groups of visitors to A Century of Progress to send as many of these visitors to Wilmette as the village can accommodate.

### Arrange Details

A committee of the Chamber of Commerce has been working out the details of plans to provide accommodations in Wilmette for visitors to the fair, especially those who come from the north and northwest. The Chamber, in addition to cooperating with the travel bureaus, will contact information booths to be established on the highways west of the north shore for the purpose of extending a welcome to visit Wilmette and to enjoy its hospitality.

### Set Registration Fee

Residents who list their extra rooms with the Chamber of Commerce will be asked to pay a registration fee of one dollar. This is necessary to defray the cost of operating the registration bureau and other incidentals attendant upon handling the details connected with the project, it is explained.

Rooms for visitors will be assigned to residents in the order of registration. Persons desiring further information have been invited to call the Chamber of Commerce offices, Wilmette 863.

A coupon for the convenience of prospective registrants is found on Page—of this issue.
