Chamber of Commerce to Have New Secretary; Clark Takes Post in East

B. T. Clark, secretary of the Wilmette Chamber of Commerce for the past four years, has resigned to accept a position with a manufacturing concern in the East. Mr. Clark presented his resignation last Thursday and it was accepted the following day at a special meeting of the board of directors of the Chamber.

Mr. Clark is to be superintendent of the mill at the E. H. Jacobs company in Danielson, Conn., a concern which manufactures parts for machinery used in the making of fabrics.

Clifton New Secretary

C. E. Clifton, Jr., who has spent his entire lifetime on the north shore, has been selected as the new Chamber of Commerce secretary. He will take over his duties Monday, May 15.

For four years Mr. Clifton was assistant cashier of the Wilmette State bank, and he is well known among the business men of Wilmette. Mr. Clifton is a graduate of the University of Illinois.

Following the resignation of Mr. Clark the board of directors of the Chamber appointed a committee to select his successor. This committee was composed of B. L. Keeler, chairman, A. S. VanDeusen, president of the Chamber, W. B. Robinson and E. C. Cazel.

Gets Fine Offer

Expressing his regret that he is leaving Wilmette, Mr. Clark said this week that the business opportunity in his new position is such that he feels he should take advantage of it.

Mr. Clark plans to drive east about May 15. His wife and son, Robert Stuart Clark will remain on the north shore for several weeks.

Thanks Members

"Because of the limited time I will be in Wilmette and the work which must be completed before I leave, it will be impossible for me to see every member of the Chamber of Commerce individually," Mr. Clark said. "However, I wish to express my thanks for the hearty cooperation given me during my four years in Wilmette and to wish the Wilmette Chamber of Commerce much success in the months to come."

During the four years Mr. Clark has been secretary of the organization, the Chamber's membership has increased from less than sixty to almost three hundred, despite the fact that the nation has been going through one of the most trying economic periods of its history.

Mr. Clark also has been secretary

of the Wilmette Credit Men's association during his four years here. He resigned this position at the same time that he relinquished the Chamber of Commerce post.

Mr. Clark followed Miss Irene Strickler as secretary of the Chamber. Miss Strickler went to California to be with her mother.
