Wilmette Women Voters News

MRS. JOHN W. BEHR NEW PRESIDENT

The annual meeting of the Wilmette League of Women Voters held at the home of Mrs. Oscar Hebel, 1210 Sheridan road, was greatly enjoyed by all who attended. Tables for bridge were set up in various rooms of the charming Hebel house. A wandering minstrel with a tuneful accordion furnished music during the early afternoon. At 4 o'clock delicious sandwiches and tomato and pomegranate juice cocktails were served.

Four members of the New Trier High school cast of "The Gondoliers" furnished the main part of the program with selections from that operetta. The audience was delighted with the charm and piquancy of the music and the unusually good voices of the singers.

A short business meeting was held during which there was the election of officers for the ensuing year. Mrs. John W. Behr is the new president of the organization, Mrs. Harry Burnside, first vice-president, and Mrs. Roy Warren, recording secretary. Mrs. Shelby M. Singleton and Mrs. Donald Maxwell jointly hold the office of second vice-president in charge of membership.

At this meeting the league's plan for the establishment of the study group idea was announced.

On the list of legislation endorsed by the Illinois League of Women Voters there are several bills of particular interest at this time. The bill dealing with permanent registration, House Bill 485, has passed the House and is now before the Senate. This bill is of great importance to voters not only because of increased efficiency of method which it provides, but also because of the economy involved.

The Office Group Ballot, House Bill 593 and House Bill 600 is now before the House Elections committee. This bill in addition to its other benefits also carries that of economy, since by reducing the size of the ballot, it would reduce the cost of printing.

House Bill 817, larger school unit, provides for a temporary board, to serve without pay, to draw up a plan for re-districting the state and unifying the high schools and elementary schools under not more than five hundred school boards. This bill is on second reading in the House.

The state child labor laws are amended by House Bills 858, 859 and 860. These bills raise the age at which children can get work permits

and provide for certification between 16 and 17 years. They too are now on second reading.

The insurance committee of the House has presented a compromise bill on unemployment insurance, House Bill 878. In this bill it is provided that there be joint contribution, of which the workers pay one-third and the employers two-thirds.

The civil service bills, Senate Bill 443-454 and House Bill 756-767, replace the departments removed from civil service under previous administrations, and provide for civil service in the Chicago Municipal court, Cook county and the Chicago Sanitary district. All the bills are before the civil service committee in the House and Senate respectively. Civil service is real constructive economy and a barrier to the spoils system.

Health Center News

The next chest clinic will be held on Tuesday afternoon, June 19, from 1 o'clock until 3. Dr. Julius Novak of the Chicago Tuberculosis institute is in charge of the clinic.

The Wilmette Health Center dental clinic meets every Tuesday morning between the hours of 9 and 12.

The Infant Welfare clinic meets on the second and fourth Wednesday of each month from 2:30 to 4:30.

Mrs. Theodore Sachs, superintendent of the Chicago Tuberculosis institute visited the Wilmette Health center last week. She was unusually impressed with the new examination room which has been installed for the benefit of the doctors and patients.

The Health center has many new and artistic posters which have been made by the school children during Health Week and donated to the Health center. The public is invited to visit the Health center. The hours of the Health center nurse are from 1-2 o'clock every afternoon. The telephone number is Wilmette 2402.

Dr. M. H. Seifert, health commissioner of Wilmette, vaccinated fifty-nine children at the Wilmette Health center last Tuesday. We urge all parents to have their children vaccinated and immunized against diphtheria.

MEETING SATURDAY

The Forty club is meeting this Saturday evening for dinner, cards, and dancing with Mr. and Mrs. Robert Milne, of Evanston. Over twenty-four members and guests will attend, for it is to be the closing meeting of the season.

Mr. and Mrs. George W. Springer and Miss Winogene Springer, 724 Forest avenue, are leaving Friday by motor for Columbia, Mo., to attend commencement exercises at Stephens college where Jane Springer is a member of the graduating class.
