WILMETTE GIRL SCOUTS

—News of the Troops—

Lone Tree Will Have 2 Important Sessions

The Great Lakes Regional conference will be held at Oak Park's camp, Camp Lone Tree, at Three Rivers, Mich., June 7, 8 and 9. This is open to all council members, committee members, leaders and friends of Girl Scouting in Great Lakes region.

The Regional Training camp will be held at Camp Lone Tree, June 11, to 26. It is hoped that several Wilmette leaders will find it possible to attend this camp. The courses offered are: general course, tramping and trailing, and troop progress.

Monday Training Group Has Three More Meets

There are only three more meetings of the training course on Monday afternoons at 1:30 o'clock. A number of the members of the group have been hard at work and expect to be "invested" very shortly. What fun they are having with signaling!

Wilmette Scribes Tell of Activities

Scribes of Wilmette troops have the following news this week for the many persons interested in the welfare of Wilmette Girl Scouts.

Troop 1 entertained the eighth grade girls at a meeting last Thursday. Games were played in weights and numbers, and the antics of staking Indians caused a lot of mirth. The good-night circle was held outdoors and was very impressive despite the howling of a dog while the bugler, Janet Wright blew "Taps."

Troop 4 went hiking on Saturday. The bill of fare included "angels on horseback" and "scouts' delights." The weather man cooperated with a lovely day.

Troop 7, at its last meeting, was planning a hike to be taken in the near future.

It is hoped that a few, at least, will become second class by the end of the course.

Central-Laurel P. T. A. News

The last meeting of the season of the Central-Laurel Parent-Teacher association was held Tuesday night, May 16. After the announcement of the new officers and reading of the treasurer's report a program of fine music was given for the fathers, mothers and friends by the combined glee clubs and the school orchestra. Miss McKay, Mrs. Clark and Mrs. Wagner were commended by all present for the fine manner in which the music department functions and for the much enjoyed program. We also thank the children and teachers for their fine work. The fact that those who attended the meeting lingered afterwards is proof of how enjoyable the social chairman and her committee has made the social hour.

The P. T. A. news contained the reports of many of the chairmen on their year's work. Dorothy Hoesli, social chairman, in her report, aptly expressed the sentiment of all workers in P. T. A. when she said, "And so we will pack away the old coffee pots until next year. It has been a lot of fun, etc.—Cheerio!"

Mrs. Snorf, the president, combined business and pleasure when she entertained the new and old board members at their last meeting in her home. After the business, tea was served, and at this time the presidents and vice-presidents of the other parent-teacher organizations joined the group. The guests were Mrs. Kinnear and Mrs. DeVinney of Logan-Howard, Mrs. Regan and Mrs. Engels of Higherrest, and Mrs. Kearney and Mrs. Georger of St. Francis. The new board members were Mrs. Melhope, recreation; Mrs. Marmaduke, child study; Mrs. Flynn, movies; Mrs. Quinlan, program.

Mrs. Melhope, the new recreation chairman, announced a plan by which it was hoped to buy medals for the winners of the games on Field day.

Mrs. Melhope and a committee will be in charge of a concession at which you can buy ice cream, pop, cookies, etc. Be sure to patronize the stand and make possible medals for the contestants. The Field day is spon-

North Shore Delphians Meet at Orrington Today

The regular meeting of the North Shore Delphians will be held on Thursday, May 25, at 2 o'clock, in the Blue room of the Orrington hotel. From time to time an invitation is extended to visiting Delphians to avail themselves of their national privilege of attending the local meeting. Others desirous of having information regarding the Delphian movement may drop a card to the chapter, in care of the Orrington hotel.

It is expected that the charter will be filled before the summer vacation—for like all study clubs, the chapters disband for July, August, and September.

Many Delphians will come to Chicago this summer to see A Century of Progress exposition. They are especially anxious to see the art exhibits and to study the modernist architecture—recent art and architecture being included in their regular schedule.

The local chapter is studying the contributions made by other modern nations to present-day American culture. National and international problems are discussed.

SEE TULIP FESTIVAL

Mr. and Mrs. H. E. Holdoway, 723 Forest avenue, and their daughter, Mrs. Wayne Collins of Papillion, Neb., returned Sunday, motoring from Holland, Mich., where they went to see the tulips and the parade in which the inhabitants are dressed as Hollanders, wearing wooden shoes, and in which flower girls in costume lead dogs drawing carts filled with milk cans.

sored by the Recreation bureau for the entire village.

A hectograph is being furnished to the Laurel school through the courtesy of the parent-teacher association. More books will be bought also for fall usage.

The program chairman has already written to several fine speakers, hoping to find the right material early for her programs next year. Mrs. Marmaduke, child study chairman, has asked for a speaker on an early date.
