

FRIDAY, MAY 26, is

Special Value Day

IN FIELD'S EVANSTON STORE

With a definite rebirth of optimism, an indication of higher commodity prices and raw materials, and growing enthusiasm about the opening of A Century of Progress, the stage of events is set for the Second Monthly Special Value Day of Field's Evanston Store. And, with the significance of Field Quality added to the genuine meaning of Value, the importance of Special Value Day is greatly increased.
