

Don't Park Car Near Fair Site, Plea to Citizens

When A Century of Progress formally opens this Saturday, the eyes of the nation will be centered on the lake front tract on which the "big show" is confined and from that time on until its close in October thousands of automobiles will be arriving daily from every section of the United States.

There will be a limited area for the parking of cars in the immediate vicinity of the Fair, and in order that those driving from a distance may be accorded the greatest convenience possible, people residing in Chicago and suburbs are requested to leave their cars at home and travel by rail on their visits to A Century of Progress, or, if they drive, to park their cars before reaching the grounds.

This request was conveyed by a committee from the Worlds Fair to the mayors and chiefs of police of the suburban communities at a meeting held in Chicago Friday evening of last week, and in turn, is now being relayed by the officials to the citizens in their respective communities.

The officials at the meeting Friday evening agreed upon a program of extending every courtesy to the thousands of motorists who will pass through their communities enroute to the Fair, it was announced.

Christian Science Churches

"Soul and Body" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, May 21.

The golden text was, "I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service" (Romans 12:1).

Among the citations which comprised the lesson-sermon was the following from the Bible: "All the ends of the world shall remember and turn unto the Lord: and all the kindreds of the nations shall worship before thee. For the kingdom is the Lord's: and he is the governor among the nations" (Psalms 22:27, 28).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "When understanding changes the standpoint of life and intelligence from a material to a spiritual basis, we shall gain the reality of Life, the control of Soul over sense, and we shall perceive Christianity, or Truth, in its divine Principle" (p. 322).

The proceeds will go for the support of Seward Infant Welfare station. Tickets are being sold by all members of the organization and also at several department stores in Evanston.
