

267 New Trier Students Make Honor Roll Scholastic Rating

Issue Report for Six-Week Period Ending May 5; Girls Again Outnumber Boys

Two hundred and sixty-seven of New Trier High school's 2,006 students were on the honor roll for their excellent scholarship during the six weeks' period ending May 5. This represents 13.3 of the school's enrollment. Girls outnumbered the boys on the honor roll, 149 to 118, despite the fact that there are 1,040 boys in school as compared to 966 girls.

To be on the honor roll at New Trier a student must have an average above "B," or, according to the school's point system of grading, an average of 3.25 or better. An average of 3.00 entitles the student to honorable mention.

For the same six weeks' period 162 students, including 84 girls and 78 boys, received honorable mention.

St. Francis P. T. A. News

The Parent-Teacher association of St. Francis school held its annual spring luncheon last Friday. A large number of mothers and a number of guests, including Mrs. George Beaudin, president of the Woman's Catholic Club of Wilmette; Mrs. L. Snori, president of the Central-Laurel Parent-Teacher association; Mrs. John Kinnear, president of the Logan-Howard Parent-Teacher association; Mrs. R. Gullickson, head of the child study group of Wilmette; Mrs. R. G. Halliwell of the Better Films group, and Mrs. Casey, mother of the new St. Francis P. T. A. president, were there to enjoy the pleasant occasion.

The retiring president, Mrs. John J. Tracey, extended a welcome to all and especially thanked those who gave her their splendid cooperation during the two years she has been president of the organization. Mrs. Marshall V. Kearney is to succeed Mrs. Tracey as president this year. Mrs. Kearney was introduced by Mrs. Tracey. Mrs. Kearney's response expressed her appreciation of the retiring officers.

The Rev. Edwin V. Hoover, in charge of the Cardinal Mundelein camp for boys, St. George, gave an instructive talk on "Summer Activities for Boys and Girls." He advised the mothers to carefully supervise the leisure time of their children during the vacation months. Well selected camps are splendid for them, he said. Their time is well taken up by activities they enjoy.

Father Hoover surprised his audience with a few songs and piano numbers. He enjoys playing for the boys at camp and he says they come home knowing all the latest song successes.

Mrs. Frank L. Kaye sang three songs well chosen for her beautiful voice—"Sylvia" by Speaks, "I Love the Moon" by Rubens and "I Pass by Your Window." Mrs. John J. Tracey accompanied her at the piano.

Mrs. H. G. Dalton, program chairman, has been responsible for the many interesting programs we have all enjoyed this year. She planned the teas for the mothers of each grade, giving them the opportunity to become better acquainted and to exchange ideas.

The retiring officers are: Mrs. J. J. Tracey, president; Mrs. H. E. Lersch, first vice-president; Mrs. Horace Grignon, second vice-president; Mrs. M. Redlin, recording secretary; Mrs. W. Clohisey, corresponding secretary.

The officers for the coming year will be Mrs. Marshall V. Kearney, president; Mrs. Edwin Georger, first vice-president; Mrs. J. Ford, recording secretary; Mrs. Clarence Kavanagh, corresponding secretary; Mrs. R. Markham, treasurer, and Mrs. Philip Newman, second vice-president.

The luncheon tables were decorated with spring flowers which added to the pleasure of the luncheon.

Mrs. Ella Ambuhl, 934 Oakwood avenue, left Thursday of last week for Omaha, Neb., where she will visit her daughter and family, the Harold Johnsons. Her son, George Ambuhl, is now in Des Moines, Iowa, on business.

William Wade, Carleton Wilson, Arnold Wolff.
