Kenilworth Girl Scouts Hike to Chippily Ridge

Troop No. 3 of the Kenilworth Girl Scouts, composed of girls in the fifth grade at the Joseph Sears school, went on a hike to Chippily Ridge last Saturday. The group left early in the morning and returned early in the afternoon. The girls learned how to build fires. Fifteen girls made the trip. They were accompanied by Miss Elizabeth Macauley, assistant director of physical education at the Joseph Sears school and Girl Scout captain for Kenilworth.

WILMETTE GIRL SCOUTS

—News of the Troops—

Games Are Feature of Troop 10 Meeting

In beginning our meeting last week, we had lots of fun in playing an alphabetical nature tour, out of doors, which was not to exceed fifteen minutes. At the end of the time we came inside and exhibited the things pertaining to nature.

Patsy Flynn was present at her last meeting she would attend in Wilmette, so she was given the privilege of choosing a song for us to sing. It was "Home on the Range."

We played a few games outside, a few announcements were made, and then we closed the meeting with "Taps."—Jane Ethel Newman, scribe, Troop 10.

Wilmette Leaders Go to Michigan Training Camp

The Great Lakes Regional Leaders' Training camp opens this Sunday at Three Rivers, Mich., Camp Lone Tree. The following Wilmette leaders will take training at that time: Mrs. E. O. Anderson, Miss Agnes Bichl, Miss Helen Jones and Miss Marion Ortseifen.

Brownies Ask Mothers to Be Guests at Party

Brownie Pack No. 1 will have a party, to which all mothers of Brownies are invited, Saturday afternoon at 2 o'clock in the Girl Scout room of the Methodist church. This will be the final meeting of the year, and it is hoped that every Brownie will be present with her mother.

LOCAL OFFICIALS ATTENDING

The Regional Girl Scout conference is in session this week at Three Rivers, Mich. Mrs. Ralph C. Moulding, commissioner, Mrs. H. J. Dernehl, camp chairman, Mrs. George

Plan "Day Camp" to Offer Wilmette Many Advantages

A "day camp" will be conducted by the Wilmette council of Girl Scouts this summer, in order to give camping advantages especially to those girls who are unable to attend Camp Hickory Hill, although the "day camp" is open to all girls for one day or as many days as they care to attend.

The camp-site will be one of the nearby forest preserves. The dates are June 30 and Tuesdays and Fridays during the month of July, except July 4.

Campers will leave the Methodist church at 9:30 o'clock and will return about 4:30. Transportation will be provided by various mothers.

A competent staff, including a director, nature counselors, instructors in handicraft, songs, dramatics, story-telling and pioneering will make possible a well-rounded program, it is announced. A person qualified to administer first-aid will be on the camp-site each day.

Only girls physically fit will be permitted to attend these camp sessions; this is very important, and parents are urgently requested to adhere strictly to this rule, the leaders state.

The only expense involved for the girls will be luncheon each day. The "day camp" will follow the plan of a day in a regular Girl Scout camp and will comply with all National standards, it is explained. Application for registration should be made through Mrs. H. J. Dernehl, 1010 Linden avenue.

F. Wright, council treasurer, and Miss Lillie Mae Humphries, local director, are in attendance.

Christian Science Churches

"God the Only Cause and Creator" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, June 4.

The golden text was, "Great and marvelous are thy works, Lord God Almighty; just and true are thy ways thou King of saints" (Rev. 15:3).

Among the citations which comprised the lesson-sermon was the following from the Bible: "The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein. For he hath founded it upon the seas, and established it upon the floods" (Psalms 24: 1, 2).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause" (p. 207).

Paul Hosking, 818 Park avenue, who attends Purdue, returned Tuesday after week-ending with his parents. He is in the military band and will play at commencement June 14.

New Trier Giants Win From Highwood Indians

The New Trier Giants baseball team whipped the Highwood Indians, 13 to 0, last Sunday at the New Trier diamond, Glenview and Hibbard roads. Frank Roemer, pitching for the Giants, allowed only five hits and fanned eleven men, while his teammates were collecting a total of fifteen hits off the Indians' pitcher. Arthur Sternberg was behind the plate for the Giants. Sunday afternoon, June 11, at 3 o'clock, the Giants will play Northfield at the latter's diamond, Winnetka avenue and Skokie boulevard.

VISITS NAMESAKE

Harry C. Kinne, Jr., 1234 Elmwood avenue, is returning the end of the week from Hamilton, N. Y., where he is a freshman at Colgate university. He will stop in Watertown, N. Y., to visit a classmate, Harry C. Kinne, Jr., before returning home.

Mrs. Roy C. Osgood, 423 Essex road, Kenilworth, with Mrs. Robert Osgood and children, left on Wednesday for their summer home in Lincolnville, Maine.

Miss Elizabeth Shipman, 432 Warwick road, Kenilworth, has returned from a twelve-day visit in Michigan
