

North Shore Polo Squad to Engage 6th Corps Area

Sunday afternoon, June 25, at 3:30 o'clock another eventful polo game will take place on the Fort Sheridan polo field. Herbert Lorber's North Shore polo team will vie for honors with the Sixth Corps Area squad. This is the first time this season that these two high goal teams have appeared against each other, and it will undoubtedly be a very fast and interesting battle.

Mr. Lorber has organized a very strong aggregation consisting of Richard Simmons, Captain Max Corpening, Captain P. P. Rodes and himself. This team bids fair to play championship polo this summer, and those who saw Simmons and Lorber in action last Sunday on the Onwentsia team know only too well what dangerous opponents they make.

The Sixth Corps Area team with Lt. G. S. Smith, Capt. C. A. Wilkinson, Capt. C. E. Davis and Major C. C. Smith are well known to polo fans in this area. The large crowds that are following the outdoor polo games prove considerably that this has rapidly become one of the most popular sports. From the spectators viewpoint it gives the thrills of racing together with expert horsemanship. The usual popular price admission of one dollar per car no matter how many are in the car has met with great acclaim by everyone.

The line-up for Sunday's game is:

North Shore	6th Corps Area
Mr. R. Simmons 1	Lt. G. S. Smith
Capt. M. Corpening 2	Capt. C. Wilkinson
Mr. H. Lorber 3	Capt. C. E. Davis
Capt. P. P. Rodes 4	Major C. C. Smith

Evanston Net Stars Trim Skokie Players

The Country club of Evanston nosed out a greatly improved Skokie Country club team two matches to one in the opening round of inter-club tennis play last Saturday at the loser's courts.

Gair Tourtellot, Evanston star, proved too steady for John Sheldon, Skokie ace, whose forceful back-court shots were not enough to make up for erratic net play. Tourtellot won 6-3; 7-5.

A newcomer on the Skokie team, Ted Matthews, staged an uphill battle to triumph over R. Miles Warner, Evanstonian. Warner won the first set 6-3, but the sliced forehand drives and effective placing of Matthews enabled him to win the next two handily at 6-3; 6-2.

The Skokie doubles team of Derwood Chase and Harold Ingersoll took the first set 6-2 against Wesley Allen and T. W. Kimball by skillful lobbing but the Evanston duo managed to eke out a 7-5 win in the next to tie the match at one set all.

In the final set the lobs lifted by the Skokie team fell short of their mark and Allen and Kimball profited by these lapses to win the third set 6-3. This hard earned victory, which sends Evanston off to a good start in the inter-club race, indicates that Skokie will be a dangerous foe for the other members of the league.

Christian Science Churches

"Is the Universe, Including Man, Evolved by Atomic Force?" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, June 18.

The golden text was, "Hearken unto me, O Jacob and Israel, my called; I am he; I am the first, I also am the last. Mine hand also hath laid the foundation of the earth, and my right hand hath spanned the heavens: when I call unto them, they stand up together" (Isaiah 48:12, 13).

Among the citations which comprised the lesson-sermon was the following from the Bible: "In the beginning God created the heaven and the earth. And the earth was without form, and void, and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, Let there be light: and there was light" (Genesis 1:1-3).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The creative Principle—Life, Truth, and Love—is God. The universe reflects God. There is but one creator and one creation" (p. 502).
