

Arrange Day Camp Activities Here for Girl Scouts

Day camping will be enjoyed during the summer by those Wilmette Girl Scouts who are unable to attend the regular organized Scout camp at Hickory Hill near Edgerton, Wis.

Each Tuesday and Friday, omitting July 4, the girls will have an opportunity to camp for a day. There will be no expense to them except that of taking their own lunch. A varied program will be in order consisting of nature study, handicraft, sketching, games, songs and rest hour.

The camping will be under the direction of Miss Lillie Mae Humphries, Wilmette Girl Scout director, from 9 to 4:30 each day in Harms Woods, Glenview Forest Preserve. Transportation will be provided for the girls.

The first campaign day will be June 30.

At the regional conference held last week at Lone Tree camp near Three Rivers, Mich., an entire morning was devoted to reports on camp activities and day camping was reported as being extremely popular and successful, affording the Scouts a splendid opportunity for outdoor activity.

Waldorfs Expect Many Guests During Summer

Bishop and Mrs. Ernest L. Waldorf, 941 Sheridan road, will have a houseful of guests during the summer. There arrived on Tuesday of this week their nephew, John Irish, of Skaneateles, N. Y. and two friends of his, Harry Hughes and Alonzo Wood of Elbridge, N. Y. Coming later in the week will be Mrs. Waldorf's cousin, Mrs. Harry Garret Smith and her daughter, Lenabelle, of Syracuse, N. Y., and the Waldorfs' two sons, Paul, who is director of athletics at McKenzie college, Lebanon, Ill., and Lynn, who is director of athletics at Oklahoma Agricultural and Mining college in Stillwater.

Nelsons Purchase New Delivery Truck Fleet

Six new International trucks have been purchased by the Nelson Laundry and Dry Cleaning System and three of the trucks have already arrived and are now in use. One special feature of this particular type of truck is a separate compartment for clothing that has been dry-cleaned. The height and size of the truck is such that dresses can be hung in the truck without touching the floor and without being crushed.

Raise \$605 in Tag Sales for Welfare Cause

A total of \$605 was raised for the needy families of Wilmette through the tag day held Monday of this week under the auspices of the Wilmette Welfare board. This was about \$400 short of the amount the board had hoped to raise. The money will be used to meet immediate needs, according to C. C. Schultz, chairman of the Welfare board, and the entire sum is to be devoted exclusively to Wilmette charities.

Unless money is obtained from the Illinois emergency relief organization through the new 2 percent sales tax, it will be necessary to take steps to raise additional funds to care for Wilmette's needy within a short time, Mr. Schultz said. It is estimated that the \$605 raised on tag day will be sufficient to take care of the charity work in the village about a month.

The Welfare board, which conducted the tag day, is representative of all the civic and church organizations in the Village.
