Volunteer Scoutmasters Get Camping Certificates

To every volunteer Scoutmaster spending at least two weeks at a regular Scout summer camp with his troop, the national council awards through the local council a camping certificate. This is required as a part of the five-year training program, for which the Scoutmaster's key is awarded. This year at the local council, Camp Ma-Ka-Ja-Wan, the following men received these two-week camping certificates.

Wilmette—Troop 2, James Baker; Troop 4, Thomas Mickey; Troop 10, Ross Blaylock; Winnetka—Troop 15, S. K. Ostergaard; Troop 19, Frank Woods, George Getgood; Glencoe—Troop 22, William Moore; Highland Park—Troop 33, H. R. Smith; Troop 30, Walter Willard; Troop 35, Winston Long, C. Vivirito; Lake Forest—Troop 45, James Tibbetts; Troop 46, Vic Linderholm; Deerfield—Troop 51, Ray Dobbins; Troop 52, James Russell; Libertyville, Troop 71, Medill Ralloff, Jack Osborn; Waukegan—Troop 4, Herbert Oliver.

Mr. and Mrs. Ogden Cook have moved from 1092 Spruce street to 561 Glendale avenue, Winnetka.

Speed Up Air Mail From Chicago Port

Radical speeding up of air mail service from the north shore has been announced by the Post Office department following approval of new schedules resulting from United Air Lines placing into service from Chicago Municipal airport, a fleet of three-mile-a-minute multi-motored mail and passenger transports.

Air mail leaving the Chicago field at 6 p. m. daylight saving time reaches California at 6:45 a. m., and Portland and cities on the Pacific Northwest at the same hour.

The big air liners leaving shortly after midnight deliver their mail, passengers and express to points as distant as Dallas, Texas, by the breakfast hour. On another schedule the planes leaving Chicago in the morning reach Dallas in the evening.

The speeding up of service has brought Cleveland within two hours of Chicago, and Kansas City and Omaha within three hours. New York is but four and three-quarter hours distant from Chicago, and there are five mail-passenger schedules daily in addition to the six exclusively passenger schedules to New York.

North Shore Line Cuts Rail Rates for Holiday

Large savings in travel costs will be afforded local residents making trips to other cities during the Labor Day holidays, when the Chicago North Shore and Milwaukee railroad will establish an open rate of 60 percent of the one-way fare for the round trip between any two points on the North Shore Line. These extremely low fares will be good going on any train in regular service from August 31 to September 4 inclusive with the return limit midnight of September 12, said R. S. Amis, passenger traffic manager. The minimum round-trip fare will be one dollar. Similar low rates will be effective in interline trips to all points in Western and Southwestern passenger association territories.

Dorothy Deacon, daughter of the Fred Deacons, 351 Cumberland avenue, Kenilworth, will return on September 1 from Camp Wapome at Canoe Lake, where she had been for a month.

Mrs. Charles Cavanagh of St. Louis was the week-end guest of the Alexander Newtons, 306 Woodstock avenue, Kenilworth.

Mr. and Mrs. Charles Hodges of Morgantown, West Va., left Thursday after a visit with the William G. Bayliss family of 610 Central avenue.

Make Report on Advancement of Scouts at Camp

The report of the Scout advancement results of the North Shore Area council's camp, Ma-Ka-Ja-Wan, for 1933 compares favorably with that of previous years. Scout advancement was not over emphasized, but every boy was given an opportunity and was encouraged in a normal advancement program. As a result there is this report to make of the advancements of the various ranks:

Twenty-six boys completed second class and twelve first class. These figures include only those who completed the test and not the many Scouts who passed only part of the rank. Sixteen boys became Star Scouts, ten Life Scouts and four earned the Eagle badge. Two boys advanced beyond the Eagle to get the Eagle palm.

There were 266 merit badges passed in a number of different subjects. Twenty-two Scouts passed their Junior Red Cross life saving examination, while one passed his senior. Twenty-five Scouts completed their Scout life guard rank, 56 Scouts their swimming merit badge and forty-one their canoeing merit badge.

Of the twenty-eight boys who came to camp unable to swim, twenty-one were able to swim at least fifty feet before they left. Forty Scouts and Scout leaders were honored by their brother campers with election to a first degree rank of the Order of the Arrow. Twelve others became second degree members of the order, while one was elected to the highest or third degree.

There were a total of 285 boys who spent a total of 655 weeks at camp during the seven-week season.

Modernized Kenilworth Inn Reopened to Public

The Kenilworth Inn, an old north shore landmark, has been re-opened to the public. During the past year, title to the property has changed hands and recently the Inn has been attractively redecorated and modernized to serve the Kenilworth community. The property is well adapted for this purpose due to its fine location, large rooms and large grounds, it is explained.

The Inn is now under the management of Mrs. Opal K. Alldredge.

The lease between the new owner and Mrs. Alldredge was negotiated by Baird and Warner's Kenilworth office.

Dr. and Mrs. Harry Baer and their three children of Pittsburg have been guests for a week of Mr. and Mrs. M. B. Mervis, 141 Robsart road, Kenilworth.
