Christian Science Churches

"Man" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, September 3.

The golden text was, "He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?" (Micah 6:8).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture. Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name" (Psalms 100:3, 4).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Man, made in His likeness, possesses and reflects God's dominion over all the earth" (p. 516).

Dean Vail, Jr., 150 Abingdon avenue, Kenilworth, has had two boys as his guests, Webster Sandford from New York and Ralph Cissel of Washington, D. C. They were with him a week attending A Century of Progress.
