

New Trier Grid Squad to Battle Lane September 23

Training in fundamentals has comprised the principal part of the football practice program at New Trier High school since the first practice was held early last week. Scrimmage work probably will not start until next week, according to Harold Caton, who, with Paul Delaporte, another member of the New Trier faculty, has taken over the coaching job this season.

An inexperienced New Trier team will face Lane Tech of Chicago in the opening game of the season on Saturday, September 23. Most of last year's regulars were graduated last June.

New Trier's schedule, as announced in this newspaper last week, calls for five games at home and only two on foreign gridirons. North shore football fans will have an opportunity to see New Trier play Lane Tech, Schurz, LaGrange, Oak Park and Deerfield on the home field. The season ends with an Armistice day game between New Trier and Evanston at Evanston.

Register and Entertain New Students at N.C.E.

New students are being enrolled at the National College of Education this week-end, and between routine matters of registration, are being entertained by members of the Student Government association and Town Girls' association, co-operating with Miss Jessie Weiler, director of recreation. The program includes excursions to various points of interest, an informal party at Marienthal on Thursday evening and a tea on Sunday evening for members of the faculty, escorted parties to A Century of Progress and theaters and the entertainment of "Little Sisters" by "Big Sisters" on Tuesday evening. Former students will register on Monday and Tuesday and the opening assembly on Wednesday, September 20, will be addressed by President Edna Dean Baker.

The special two-week sessions which were popular during the summer are to be continued this fall with a session October 2-13, for teachers or others who are visiting A Century of Progress at this time or have time for a short course only. Two or more lectures on topics of general interest in the field of education will be given by President Edna Dean Baker, and a choice of one of several courses may be made, which, with observation in the Children's school, will afford two units of credit.

The Children's School of the college, including nursery school, kindergarten and elementary grades, will open Wednesday, September 20, Mrs. Sara Loffler Black is director of the newly added eighth grade, and Mrs. Virginia Byington, director of fifth grade, is another addition to the staff.

Mrs. Fred M. Coxon, 1538 Central avenue, has had as her house guests recently, Mr. and Mrs. H. D. Fyfe and family of Buffalo, Mr. and Mrs. William Peggler of Baltimore, Mrs. A. E. Miller of Cantonville, Md., and Mr. and Mrs. George Thompson of Chadron, Neb., who all came up during the summer for the fair.

Nick Etienne returned to Michigan last week after a visit of several days with his parents, Mr. and Mrs. John Etienne, 1910 Washington avenue.

Mr. and Mrs. Warner Cary Lewis of 201 Kenilworth avenue, Kenilworth, returned Saturday from a motor trip to Eagle River, Wis.

Dick Hanley in Seventh Year as Wildcats' Coach

The 1933 football season will be Coach Dick Hanley's seventh year at Northwestern. Only Bob Zuppke of Illinois has served at a Big Ten school longer than Coach Hanley. The Wildcat coach has also served longer than any previous Northwestern football coach. Glen Thistlethwaite, his predecessor, had the next longest tenure of the position, having been in charge of football for five years. Coach Hanley will have the same varsity assistants as last year. They are Pat Hanley, line coach; Wally Fisher, end coach; Tom Stidham, assistant line coach, and Maury Kent, freshman coach. The latter will be assisted by Pug Rentner, last year's captain.

Mrs. B. C. Miller, 830 Ashland avenue, left Monday for Orangeville, Canada, where she will visit her sister.
