

Wilmette Indoor Hurler Twirls a Perfect Game

Wilmette indoor baseball fans were treated to an unusual spectacle last Sunday morning when Jimmie Hoffmann, star pitcher for the Hoffmann Florists, hurled a no hit, no run game against the powerful Solheim team of Evanston, recent winners of the North Shore Indoor Baseball championship. The Florists took the game, 1 to 0, on George Huck's home run smash in the seventh inning. This game was the second no hit affair pitched by the Florist speedball artist, Jimmie having recently administered a similar trouncing to the Kenilworth Ice company nine in a league game.

Northridge Notes

The Northridge Woman's club held the first meeting of the year, Monday evening, September 11. There was a splendid attendance, and the program was interesting to everyone there.

After the business had been disposed of, Mrs. John Petaja, 1922 Greenwood avenue, Wilmette, opened the program with a lovely piano number. Following that, Mrs. Paul Gathercoal entertained with a humorous reading, exceedingly well done, entitled "Home Work."

The speaker of the evening was Miss Wells of Marshall Field and company, who discussed cotton textiles as they are being used in household drapings. Everyone felt that she spoke only half long enough.

To conclude the program, Mrs. Akely, pianist, and her daughter, Frances, violinist, gave several delightful numbers.

All present felt that if this program is an index of those to follow, Northridge may anticipate a year remarkable in interest and instruction.
