

"I'm Starting Today!"

"I'm 27 years old today and I'm opening a savings account at the Wilmette State Bank—just with \$3. Every week I plan to put aside another \$3.

"By the time I'm 54—twice my age today—I'll have more than \$6,000—no small sum! And at 65 I'll have enough to retire on.

That's how compound interest works!"
