Honored

Howard S. Davidson, 1605 Highland avenue, Wilmette, has received a signal honor from the United States Junior Chamber of Commerce for the work he has done and is doing in behalf of that organization. For the two years previous to the present fiscal year of the national chamber Mr. Davidson had served as a national vice-president and had distinguished himself by personally organizing more local junior chambers of commerce than any other man in the history of the organization. To date he has twenty-two local groups to his credit, all of which have affiliated with their state, regional, and national bodies.

Honor was done to Mr. Davidson at the meeting of the national board of directors and officers which was held in Chicago recently. In addition to the roll call of thirty or more national officers and directors who were present for the meeting, there were representatives of local junior chambers from all parts of the country. All of the visiting members were guests of the Chicago Junior Association of Commerce, of which Mr. Davidson is a member.

A surprise was afforded when Governor Clyde Herring of Mr. Davidson's home state of Iowa, came to the meeting at the Medinah Michigan building to add his felicitations to the many others for the service Mr. Davidson had rendered. Others who spoke were Harvey Hill, vice-president of the Chicago Stock Exchange; Leslie B. Farrington, St. Paul, president of the United States Junior Chamber of Commerce; C. Edwin Dahlin, first president of the Chicago association; Harry Krusz, executive secretary of the national chamber and president of the St. Louis junior chamber at the time Howard Davidson was a member there; George Olmstead, past national president and member of the Iowa junior chamber, and Paul Paulsen, Milwaukee, successor to Howard Davidson as national vice-president.

President Farrington presented Mr. Davidson with a merit award medalion in recognition of his services.

Nadine Kinney, Evelyn Montanaro, Edith Peters, Betty Schrei, Jean Strickland, Ruth Sprenger, Norman Bemis, Kirk Dilling, Jim Clements, Seeley Lodwick, Jonathan Noyes, Jim Olin.

Free Pamphlets on New Game of Chess

The free demonstrations of angel chess, given daily at 5 p. m. in the German-American building at A Century of Progress exposition, attracted a number of members of out-of-town chess clubs and Y. M. C. A. representatives last Sunday.

In order to satisfy a growing demand for free copies of the rules for this improved game of chess the inventor, Louis P. d'Autremont, has appointed H. L. Beach, 1114 Ashland avenue, Wilmette, his local agent for free distribution of the pamphlets describing the rules and advantages of angel chess.

A noted lumberman in the South, who is also prominent in outdoor sports, is contemplating the manufacture of chessmen three feet high to be used in playing this new game on public school or recreational playgrounds. These large chessmen, it is explained, may be painted to represent unique designs such as those shown at the chess exhibit at the Hall of Science on the fair grounds. This plan to make large-size chessmen would also give an opportunity for any school or village recreational center to design and paint its own chess set in such a way as to portray local characters, it is explained.

Any chess fan, or anyone interested in learning how to make a lawn chess board somewhat similar to that used in the outdoor exhibition of chess played in the court of the Hall of Science two afternoons and two evenings, may secure this information and a free booklet of the rules of this new game, shown to the public for the first time at the chess exhibit, by applying to H. L. Beach at his chess stand two hundred feet to the left of the Twelfth street circle entrance to the World's fair, or to the attendant in charge of the chess book library in the Social Science building.

GUEST HERE

One of the most interesting of Wilmette's recent out-of-town visitors is Patricia Parmelee, a house guest of Mrs. Henry Drucker of 1125 Mohawk road. Miss Parmelee, a graduate of the University of Chicago, class of '16, has for some years past been a co-director of the Noyes School of Rhythm in New York City. As a member of the Noyes group she is an authorized exponent of this recognized American system of rhythm. She expects to give demonstrations in the Chicago district and to organize various groups of those interested in this modern school of movement.

RETURNS TO CALIFORNIA

Mrs. Frank Townsend of Los Angeles, Cal., sister-in-law of the Charles McQuies, formerly of Wilmette, has returned to her home after visiting friends on the north shore for several weeks and seeing the Fair. Mrs. Townsend wrote back to one of her Kenilworth friends that she drove to Los Angeles in six days, a distance of 2,500 miles, never once leaving the hard roads.

Mrs. G. R. Wood and Mrs. L. M. Pettigo of Kenilworth have gone to Asheville, N. C., for a two weeks' visit with friends.

This was the first time in the history of the junior chamber of commerce that the award had been given and illustrates the esteem with which Mr. Davidson is held in the national organization.

Mr. Davidson is a representative of the Meredith Publishing company in Chicago.

Association of Hockey Players Elects Officers

The North Shore Field Hockey association, which has a membership of forty-five, has elected the following officers: Mrs. Hallet Thorne of Winnetka, president; Mrs. L. L. Taylor of Winnetka, vice-president; Miss Dorothy Coleman of Evanston, secretary, and Susan Miller of Winnetka, treasurer.

Captains of the different clubs are as follows: Skokie club, Miss Jay Purves of DesPlaines; Indian Hill club, Mrs. W. M. Washburn of Hubbard Woods; Lake Shore club, Miss Ann Teuscher of Evanston. The manager of Wednesday practice is Miss Frances Boales of Winnetka.

The North Shore Field Hockey association was established in 1927 as an outgrowth of the Chicago association. Its purpose, it is explained, is to provide an opportunity for those interested in hockey to play the game, to obtain coaching in it, and to participate in sectional and possibly national tournaments. The association is composed of three clubs, Skokie, Lake Shore and Indian Hill. Players may join any team they choose, but an attempt is made to equalize the playing strength of the teams.

On Sundays club and association practices are held. Two teams are chosen from the entire membership by the selection committee which watches all club games. These teams play matches with other associations and take part in the Midwest sectional tournament to be held in November. The best players in this tournament represent the Midwest at the national tournament, in which the all-American players for the year are chosen.

So far Winnetka has won every game played. A new club has been formed in Lake Forest.

Sponsor School Girl Team

The North Shore Field Hockey association will sponsor a north shore girl team to play against a similar team from the Chicago public and private schools. The best players of these teams will play at the national tournament. The north shore schools to be represented are New Trier High school, the North Shore Country Day school, Roycemore, Evanston High school, Deerfield-Shields High school, Mendota and Kemper hall.

The United States touring field hockey team, which is composed of women entirely, is in Europe now playing Germany, England, France, Spain and Scotland. When the team returns from its tour it will immediately come here to enter the national tournament at Dyche stadium, Evanston, over the Thanksgiving weekend.

At the national tournament teams from the middle west, far west, south, northeast and the Great Lakes region will be here. Last year this tournament was held in Greenwich, Conn.

A week previous to the national tournament a mid-west tournament will be held in Iowa City. The dates for this tournament are November 17, 18 and 19. The north shore will send one or two teams.

A son weighing eight pounds was born Thursday, October 12, at the Evanston hospital to Mr. and Mrs. Byron H. Knapp, Jr., 1004 Pontiac road. The baby is the second child and the first son of the Knapps.

Mrs. Clara T. Scott, 117 Broadway avenue, gave a birthday luncheon for nine guests with cards following on Tuesday of last week.
