

CWA District Registration Has 200 Daily Average in 1st Week

North Shore Unemployed Are Now Being Registered at Winnetka Village Hall

Registration of unemployed, which began in Winnetka a week ago last Monday, continues with an average daily enrollment of more than 200 for each of the seven days the station has been open. The total, up to Tuesday evening, was 1,450.

The registration is for unemployed men and women over 18 years of age, and also includes those who may have only temporary work, those now on Emergency Relief and all charity cases.

The Winnetka office, one of fourteen stations of the National Civil Works administration in suburban Cook county, is located in the council chamber at the Village hall, where it will continue its operations indefinitely, it is announced.

Covers Wide Territory

Registrations are being made at this office from Wilmette, Kenilworth, Winnetka, Glencoe, Glenview, Northbrook, and from the entire north shore to the county line.

The Winnetka station is in charge of Charles A. Dove, with Walter W. Marr, of Highland Park, formerly of Glencoe, as assistant.

The entire northern part of Cook county comprises the district in which the north shore station is located. Capt. Charles Line, U. S. A., resident of Park Ridge, is in charge of the district.

Captain Line, during a visit to the Winnetka station Tuesday, called attention to the fact that it is necessary under the plan for all unemployed persons, who desire employment, to register.

"Purely Business Proposition"

It should be borne in mind, he explained, that this is not a charity roll that is being compiled, but rather it is purely a business proposition.

St. Francis Young People Enjoy Party

(Contributed)

The young people of St. Francis Xavier parish were entertained at a party in the school hall Friday night, December 1.

A beautifully decorated hall plus the music of Bob McCloud's orchestra, plus bountiful refreshments equaled ninety-odd highly pleased young guests.

The affair was so successful and so thoroughly enjoyed that it is planned to give a series of similar ones during the winter. A Christmas party will be given during the holidays, and in January there will be a Sunday night supper party, with something most entertaining in the way of a floor-show.

Mr. and Mrs. R. H. Nason, 1200 Greenwood avenue, returned Thanksgiving morning from a most interesting motor trip, through New Mexico and Arizona, stopping at the Grand canyon and along the Apache trail. They met Mr. and Mrs. Clarence Burpee of Wilmette at Santa Fe and motored with them to Cameron bridge in the desert, where they saw a moving picture, "Laughing Boy," being made with Lupe Velez and Ramon Novarro the stars, and 1,500 Indians participating.

Mr. and Mrs. D. R. DeCamp, 615 Abbotsford road, Kenilworth, had as their guests for the Thanksgiving holiday, Mr. and Mrs. Melvin Blum of St. Louis.

obtain work, numerous work projects have been promoted by villages, county, state, as well as by various taxing bodies, such as school boards, park boards, etc., in the several municipalities.

These work projects will require large numbers of both men and women, and this registration is designed to obtain people to do this work, which, as far as possible, is being given in the registrant's own community. It has been compared to a huge free "employment bureau," and there should be no one, Captain Line pointed out, who will permit his pride preventing his registering, if he really desires work.

Zo, daughter of Mr. and Mrs. Jacques de LaChapelle, 132 Abingdon avenue, who attends Holly Child High school at Waukegan, returned Sunday after a week's Thanksgiving vacation.

Mr. and Mrs. Wallace Behnke, 524 Maple avenue, entertained their bridge club at dinner Saturday.

Sears School Pupils Plan Christmas Play

Pupils at the Joseph Sears school in Kenilworth will present their annual Christmas pageant Friday, December 22, the last day of school before the start of the Christmas vacation. Miss M. Louise Robinson, art teacher, and Miss Margaret Davenport, music teacher, are cooperating in the staging of the pageant. Besides their work on the pageant, the Joseph Sears pupils also are busy with other pre-Christmas activities. They are collecting toys for less fortunate children and are selling Christmas seals to assist the Chicago Tuberculosis institute in its fight against the "white plague."

Mrs. E. P. Sykes, formerly of Wilmette, who is residing at the Evans-ton hotel, is leaving soon for Los Angeles.

Lost 30 Pounds of Fat In 3 Months

Dizzy Spells Gone

"To-day I started my 4th jar of Kruschen. First I must tell you I lost 30 lbs. in 3 months. I still wish to lose 25 or 30 lbs. I weighed 184 now I weigh 154. Do I feel good—boy I can say I feel better than I've felt in 10 years. Everything was wrong with me from headaches to backaches, my arms and hands would fall asleep at any time. They don't anymore. I used to have dizzy spells. Don't any more. Heartburn was so bad I couldn't eat or sleep. Don't have it any more." Mrs. Arthur Willette, Ferndale, Mich., Aug. 27, 1933.

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, HARMLESS way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at any drugstore—the cost for a jar that lasts 4 weeks is not more than 85 cents and if after the first jar you are not joyfully satisfied with results—money back.

When you take your little daily dose of Kruschen you'll be joyfully free from constipation—you'll gain that glorious Kruschen feeling—no more headaches, acidity or shortness of breath—no more nervousness or sleepless nights.
