Chorus of 600 to Present "The Messiah" at N. U.

Friday night, December 29, there will be presented in the Patten gymnasium on Northwestern university campus what will undoubtedly be the greatest full length performance of "The Messiah" ever given on the north shore.

The presentation, which is sponsored by the Women's Faculty club of Northwestern University Medical school, benefits the free clinics.

The entire production is under the general direction of Leroy Wetzel. The great chorus of six hundred will be assembled from all of the churches along the north shore, and will be supplemented with outstanding stars.

Among the north shore people who will have boxes for the concert are Mr. and Mrs. Burt J. Denman, Mr. and Mrs. Carbon P. Dubbs of Wilmette, Mr. and Mrs. Henry Bartholomay, Louis B. Kuppenheimer, Mr. and Mrs. H. W. Thorne, Mr. and Mrs. George G. Thorp, and Mr. and Mrs. Warren A. Lamson of Winnetka, and Mr. and Mrs. R. Lee McGowen of Kenilworth.

CHRISTMAS PARTY

The Avoca school, located on Ashland avenue west of Locust road, will close for the Christmas vacation this afternoon (Thursday), when a party will be held for the pupils. Candy has been provided for the children by the school board, and there is a Christmas tree in each of the two school rooms. There is also to be a grab bag. Mrs. Glen Clinebell, the principal announces.

Mrs. H. A. von Pflugk, 533 Forest avenue, was luncheon hostess to her bridge club Monday.

Kenilworth Wins Badminton Match Against Winnetka

Kenilworth annexed six out of nine games in a badminton match with Winnetka Community House Sunday afternoon at Winnetka by winning two out of three battles in the men's doubles, taking both games of the women's doubles, and prevailing in two out of four mixed doubles contests.

Winnetka led off with a win when Maurice Thomas and "Jim" Wigglesworth dropped Paul Clovis and "Pete" Sears in the men's doubles, 15-5, 15-11. Kenilworth came back with the combination of Ward Starrett and Frank Ketcham to wallop the Winnetkans, "Jim" Barenbrugge and Maurice Greeley, 15-4, 15-3. The Kenilworth pair, Lee Ellis and Paul Clovis, wrested the third game from the Winnetka team, Boyd Anderson and "Agate" Martin, 15-7, 9-15, 15-9.

In the first game of the women's doubles, Elena Ketcham and Olive Starrett, of Kenilworth, staged a rally to nip Eunice Martin and Helen Anderson, of Community House, 4-15, 18-16, 15-9. Dorothea Whitaker and Ruth Anderson, of Winnetka, offered a stiff tussle before their Kenilworth opponents, Doris Clarke and Lucile Clovis, were able to win, 15-10, 12-15, 15-8.

The mixed doubles bristled with excitement, Mr. and Mrs. Ward Starrett of Kenilworth defeating Maurice Thomas and Ruth Anderson in the afternoon's ace thriller, 15-9, 8-15, 17-16. Winnetka, represented by Mr. and Mrs. Boyd Anderson, retaliated in the next game by trouncing Mr. and Mrs. Frank Ketcham of Kenilworth, 15-10, 15-7.

Jack Bartlett and Eunice Martin rushed off with another victory for Winnetka by outscoring the Kenilworth team, Mr. and Mrs. Paul Clovis, 15-3, 15-9. Lee Ellis and Doris Clarke, of Kenilworth, in the last game of the afternoon, had a hard time winning the first set, 15-13; then rode through to a swift 15-2 triumph in the second set to clinch the game against the Winnetkans, George Getgood and Dorothea Whitaker.

TAKE SKATING HIKE

Sixty-five boys, all members of the Kenilworth Cub pack, enjoyed a skating hike last Saturday at Chippily Ridge. The boys, besides skating, went on an exploration trip and cooked their own meal. Several of them had venison steak cooked over an open fire. Glenn Anderson brought the steak, which was given to him by his uncle. Robert W. Townley, director of physical education at the Joseph Sears school, who is in charge of the Kenilworth Cubs, reports that the hike was one of the most successful the pack has experienced.

Mrs. Harry Crooks of New York, formerly of Kenilworth, arrived Saturday. Mr. Crooks came Friday to spend Christmas with their son and daughter-in-law, Mr. and Mrs. Douglas S. Crooks of 609 Cumnor road, Kenilworth.
