Tickets for the remaining programs of the Artist-Recital series sponsored by the Winnetka Music club are suggested by the club leaders as constituting excellent Christmas gifts.

The next concert of the series will be given in New Trier High school auditorium Monday evening, January 15, by Nathan Millstein, the brilliant young Russian violinist, who is engaged on his third American tour.

Other artists to appear in the series this winter are Elizabeth Rethberg, Lawrence Tibbett, and Bartlett and Robertson, duo pianists.

Tickets for the next concert or for the remainder of the series may be obtained by communicating with Mrs. Roland D. Whitman, 152 Center street, Winnetka, or Mrs. Bessie Grant at the Winnetka State bank.

### Camp Fire Girls Will Sing Christmas Carols

Wilmette Camp Fire Girls at their meeting Friday decided what each girl would bring for the Christmas basket. While repairing toys which they had brought, the girls practiced yule carols, after which they made fudge and called the meeting a great success. The Camp Fire Girls will sing Christmas carols Saturday at the Evanston hospital before having a Christmas party at the home of Doris Sauvage.

Instead of competing as a member of the North Shore Grammar School league this season, the Joseph Sears school in Kenilworth will schedule basketball games with teams which are not members of the league as well as with teams which are members, Robert W. Townley, director of physical education at the Kenilworth school, said this week.

Mr. Townley has advised any teams desiring games with Joseph Sears school to get in touch with him. The Kenilworth teams play in four weight classifications, as follows:

Pee-wees, under 85 pounds; light-weights, under 100 pounds; light heavyweights, under 115 pounds, and heavyweights, over 115 pounds.
