

## Proviso High Next Opponent for New Trier High Cagers

### Second Contest of Suburban League Schedule to Be Held Friday, January 12

New Trier High school will resume its Suburban league basketball schedule next week, meeting Proviso Township High school of Maywood in a doubleheader Friday night, January 12, at the Leslie F. Gates gymnasium.

The New Trier lightweights, after a holiday rest, resumed practice Wednesday of this week at Community House in Winnetka. Practices were scheduled for three days, Wednesday, Thursday and Friday. The heavyweights, however, will not start practice again until next Monday.

#### Defeat Oak Park

Led by "Duke" Scott, center, and Jack Sinding, forward, the New Trier heavies looked good in winning their first Suburban league game of the season from Oak Park, 33 to 22, just before the Christmas vacation. The New Trier-Proviso heavyweight battle promises to be a thrilling one, with New Trier a slight favorite on the basis of comparative scores.

Proviso won from Riverside, 25 to 23, and Riverside defeated Oak Park, 26 to 24, whereas New Trier's margin of victory over Oak Park was considerably larger.

#### Trim Hyde Park

Hyde Park, a team that reached the semi-finals in the University of Chicago's Christmas week basketball tournament, was defeated by New Trier at Winnetka, 22 to 16, on December 16. New Trier was not entered in the tournament this year.

Proviso was eliminated in the first round of the University of Chicago event by Tuley, 23 to 19, in what was considered an upset. Tuley, which

used long shots to good advantage in whipping Proviso, got by LaGrange in the second round of the tournament, 21 to 19, but lost to Harrison in the quarter-finals.

The New Trier lightweights, although defeated by Oak Park, 35 to 27, in the opening Suburban league game, expect to improve their showing as the season progresses. Proviso will be their first league victim, the lightweights hope. The Proviso lightweights lost to Riverside, 34 to 14.
