De Wolf Hopper at Shawnee Club

DeWolf Hopper, America's foremost interpreter of high comedy roles, will be the guest of honor and speaker at a formal dinner party of the Shawnee Country club Saturday evening, January 13, at 6:30 in the ballroom of the club.

As a comedian and an actor DeWolf Hopper has been a star of first magnitude since the days of the famous Gilbert and Sullivan light operas.

Known and loved by the theater-going public for his creation and portrayal of the principal roles in world famous productions such as "The Mikado," "Pirates of Penzance," "Pinafore," "Wang," "Happyland" and many others in which his tremendous singing voice made theatrical history, he established himself as America's foremost comedian.

In the dramatization of Bruce Bairnsfather's "Better Ole," the part of "Old Bill"—DeWolf Hopper's role—became one of the most outstanding character portrayals of a generation.

His popularity has brought a nationwide demand for his presence at banquets as an after-dinner speaker. His "Casey at the Bat" has been heard thousands of times, and will be heard by thousands more as long as DeWolf Hopper is willing to recite those famous lines in his inimitable manner.

HOSTESS TO SEWING CLUB

Mrs. William Freudenreich of Abbotsford road, Kenilworth, will entertain her sewing club Friday, January 12, from 12 to 5. The club, consisting of twelve women, will meet the first Friday in the month to do Red Cross sewing, after which tea will be served. Mrs. Freudenreich has charge of the sewing.

Charles, son of Mrs. Walter Williams, 1306 Gregory avenue, left Saturday for Bloomfield Hills, Mich., where he attends Cranbrook preparatory school.

Frances Cutler, 1001 Lake avenue, spent last week-end visiting friends in Cincinnati.

North West Men's Club of Wilmette

The January meeting of the North West Men's club of Wilmette, held last Thursday evening at the home of Joseph H. Hinshaw, 2022 Kenilworth avenue, was voted one of the club's finest sessions, both in point of attendance and program.

The business was quickly disposed of and the evening given over to the program and general goodfellowship. "Americanism" was the subject of the speaker, the Rev. George P. Magill, who admonished the hearers to take more interest in our national, state and local affairs, not expecting "George" to do it for them. He discussed the communist movement in Chicago and suburbs, telling of the strength the communists have gained. He described their meetings and parades and also the very members of the movement.

All the listeners joined in giving the Rev. Mr. Magill a hearty "thank you" for his talk.

The officers and directors expressed pleasure at the increased attendance and at the interest shown in the activities of the club during the past few months.

Mr. and Mrs. Hinshaw served refreshments after the meeting adjourned.

Charles Knapp, 633 Forest avenue, who is attending college this year on a scholarship awarded him for his high academic standing at New Trier high school, returned Monday of last week to his studies at Wesleyan in Middletown, Conn., after spending the holidays with his parents, Mr. and Mrs. Charles T. Knapp.
