**VILLAGE OF WILMETTE, ILLINOIS
WATERMAIN****NOTICE TO CONTRACTORS**

Sealed proposals endorsed "Proposals for Construction of Water Main" will be received by the Village Clerk for the President and Board of Trustees of the Village of Wilmette, Illinois, in the Village Hall until 8 o'clock P. M. on the twenty-third day of January, A. D. 1934, and will then be publicly opened and read.

The work for which proposals will be received will be paid for solely in cash, only as and when received from a loan and grant from the Federal Emergency Administration of Public Works.

The work consists of furnishing and constructing a 24-inch water main along Lake Avenue, or along alternate routes, from the municipal waterworks at Lake Avenue and Michigan Avenue to the intersection of Ridge Avenue and Lake Avenue, all in the Village of Wilmette, and includes excavating, backfilling, gate valves, special fittings, connections to existing mains and all appurtenances, as specified and as shown on plans.

Each proposal shall contain the full name of every person or company interested in same and shall be accompanied by cash or check made payable to the Village of Wilmette and certified by a responsible bank doing business in the State of Illinois, in an amount not less than ten (10) per cent of the total bid. Such sum is a guarantee that if a proposal is accepted a contract will be entered into and its performance secured.

All proposals shall be made on blank forms furnished by the Village of Wilmette and in accordance with the "Instructions to Bidders" attached thereto.

The Board of Trustees of the Village of Wilmette reserves the right to reject any or all bids, waive or not waive any informalities in the bids received and accept the bid or alternate which it deems most favorable to the Village of Wilmette.

The Board of Trustees of the Village of Wilmette further reserves the right to omit certain items or portions of items as it may deem necessary and to increase or decrease the total amount of work on any or all items.

Decision on the acceptance or rejection of the various proposals submitted will be made as soon as practical after bids are received, but the right is reserved by the Board of Trustees to defer action on awarding a contract for thirty (30) days.

The Board of Trustees of the Village of Wilmette intends to obtain the professional, financial and ethical history record of Contractors from the Bureau of Contract Information Inc., 729 Fiftieth St. N. W., Washington, D. C. Bidders shall obtain a questionnaire from said Bureau, fill it out and return it to the Bureau immediately to avoid delay in awarding this contract.

Wage rates to be paid on this contract shall be as prescribed by the Special Board for Public Works of the Federal Emergency Administration, and the successful bidder will be required to comply with all the provisions and requirements of the Federal Emergency Administration of Public Works and the National Industrial Recovery Act.

Requirements for bidding, instructions to bidders, proposal forms, specifications, contract and bond forms and plans may be obtained from the Village Manager, Wilmette, Illinois, upon deposit of Ten Dollars (\$10.00), which sum will be refunded if said plans, proposals, specifications, etc., are returned prior to the date for receiving bids, or if bid is submitted such deposit will be refunded if said plans are returned in good condition within thirty (30) days after the opening of bids.

Dated this 2nd day of January, A. D. 1934.

THE VILLAGE OF WILMETTE, ILLINOIS.

Mr. and Mrs. Elliott V. Youngberg, 419 Washington avenue, will entertain their bridge club at dinner Saturday, January 13.

—O—

Mr. and Mrs. S. N. Tideman of 1025 Linden avenue, entertained at a formal dinner and dance New Year's eve.

**Public Forum****REPRESENTATIVE
GOVERNMENT**

January 5, 1934

To the Wilmette Voter:

We think it is necessary for the Village governmental officials to have the full confidence of the people to do their best work. To have this confidence and to justify it, they must be both nominated and elected by the electorate of Wilmette. In this regard the correct nomination is more important than the election. Frequently the voter must make the choice between two candidates which, to him, is the choice between the lesser of two undesirables. To obviate such a dilemma necessitates the establishment of a representative government in which every one of the thirteen precincts of the village takes an equal part in the nomination of all candidates for village offices.

In our village there is a new instrument for the purpose of accomplishing the very essence of self government. It is an instrument for all the people because it is made up of four citizens from each precinct in the village. If you, the citizens of Wilmette, want a representative government the Harmony Convention is the organization which you should support.

Soon the caucus committee (composed of prominent citizens who are members of the leading social and business organizations of the village, but not members of the convention) will be seeking new members in each of the precincts of the village to fill vacancies

left by retiring members. You may be called upon by them to serve on the next convention, to convene in the near future. To serve on this convention for a definite term is the duty of every citizen who can do so, and we trust that you will help in this work; if not as a caucus member you may serve in your own personal way, thus helping to perfect a better government for our village.

Surely an organization with such a high ideal as seeking the best qualified citizens to fill the offices of our governing body, deserves your most serious and diligent support. Now, we know that this child of ideal government is a new and young one to the Village of Wilmette, and being a young one of course it is just learning to walk, and you must help teach it. But to our neighbor, Winnetka, it has been in very successful use for more than fifteen years. Since Winnetka is considered a model village of not only the United States but the world, and one whose government is studied by many people of our own and other countries, why should we not learn a valuable lesson from her who has so ably set such a fine example? The answer is with you, my reader—what you say and (what is still more important) what you do about it. We can have a better village government if you want it—but we must all pull together to get it.

—C. W. Lerch,
1715 Highland avenue.

**Logan-Howard
P. T. A. News**

"The Needs of the Adolescent" was the title of the talk given by E. L. Nygaard, superintendent of the Kenilworth schools at the Father's Night meeting of the Logan-Howard Parent-Teacher association Tuesday evening, at the Howard school. Sympathy, but not sentimentality, sincerity rather than hypocrisy, broad, kindly humor, but never sarcasm—these were the tools Mr. Nygaard urged parents to use in their dealings with young people, during the difficult years of adolescence. He stressed also the danger of forcing too much attention upon sex study, and quoted Professor Adler of the University of Chicago in his assertion that more harm than good is often done by overemphasis on the subject. Kindergartens are more essential than is realized by many, for the ages from 4 to 6 are all-important in the training of habits of thought and action. Miss Lois Hammett, Wilmette pianist, charmed her audience with her playing of "Andaluza," by De Falla, and "Etude en Forme de Valse," by Saint Saens entirely from memory. With brilliant, flawless technique she combines a warmth of feeling and understanding which marks the true artist. Miss Hammett should go far in the musical world.

The splendid singing of Gudmundur Kristjansson, Chicago tenor, was thoroughly appreciated, from the opening number, Massenet's "Elegie" to the haunting minor lullabies in his native tongue (the Icelandic), with which he closed his program. Mr. Kristjansson has been honored by the Icelandic government, has sung with

the Metropolitan Opera company, and the Logan-Howard P. T. A. is fortunate to have secured him for this evening's entertainment. Mention must be made here of the perfect cooperation afforded Mr. Kristjansson by Mrs. Lundgren, his accompanist.

Mrs. J. D. Kinnear, president of the Logan-Howard P. T. A., closed the meeting with the reading of essays on "My Dad," by several children in the intermediate grades. It is not too much to say that some of these "brought down the house."

The Adolescent Study group, which was responsible for the entire program, is to be congratulated on having provided a "feast of entertainment."

Miss Stadel's dancing classes are beginning the new term this week, with the reopening of school after the holidays. Attention is called to the following dates: Thursday, January 11, the Babies Friendly meets with Mrs. Charles Hilton, 1716 Walnut avenue; Tuesday, January 16, the Pre-School circle meets with Mrs. Stanley Johnson, 1925 Thornwood avenue.

VISIT IN KENILWORTH

Mr. and Mrs. C. M. Burdette and family of Peoria, formerly of Winnetka, spent New Year's week-end with Mr. and Mrs. Albert W. Scarrett, 521 Kenilworth avenue, Kenilworth. Jeanne Scarrett returned to her studies at the University of Illinois on Wednesday of last week.

TEA HOSTESS TO BOARD

Mrs. George D. Conlee of Winnetka entertained the members of the Women's Society board of the Wilmette Baptist church Monday afternoon. Assisting her at tea were her mother and her aunt.
