

New Trier's Heavyweight Cagers Lose by One Point to Evanston

Foes Forced to Overtime for Victory; Lights Drop Heart-Breaker to Neighbors

For the first time this season the New Trier High school heavyweight and lightweight basketball teams lost a doubleheader last Friday night. Evanston, foe of many years' standing, did the trick. The heavyweight game, which went into overtime, was decided by one point, 25 to 24, while the lightweight battle ended with a 21 to 19 count.

The defeat for the New Trier heavies was their third successive setback in Suburban league competition. After winning their first league game from Oak Park, 33 to 22, before the holidays, the heavies lost to Proviso, 40 to 36, in an overtime battle, were soundly whipped by Deerfield, 30 to 13, and then last Friday dropped another hard-fought overtime game to Evanston.

Griggs Is Nemesis

It was Carl Griggs, star forward and leading scorer for the Evanston heavies, who did the "dirty" work in last Friday's battle. He sank a field goal in the overtime period to give his team victory, for the best New Trier could do after the regulation period ended, 23 to 23, was a free throw. Griggs and Voights, guard, each made seven points for Evanston. The leading scorer of the game, however, was "Duke" Scott, New Trier center, who sank two field goals and four free throws for eight points. His team-mate, Jack Sinding, forward, had six points, as did Currie, the other Evanston forward.

Trail at Half

Evanston led 6 to 5 at the end of the first quarter and 12 to 9 at the half. New Trier went ahead, 16 to 15, when the third quarter ended, but the lead was short-lived.

With less than a minute left in the overtime period Bob Hallquist, New Trier guard, was injured and an already tense game was made more so. It was at least ten minutes before Hallquist was revived, but he was back in school Monday, apparently suffering no ill effects from his experience.

Tragedy for "Lights"

While the defeat of the New Trier heavies was a heart-breaker, the Evanston victory over the New Trier

lights was more tragic from the standpoint of Suburban league championship aspirations. The heavies, who had already suffered two defeats, were considered out of the running, but the lights, who had lost only to Oak Park, hoped to whip Oak Park in the return game at New Trier and to take all of their other games. This would have given them at least a tie for the championship. Their one consolation is that they have another crack at Evanston on February 23 at New Trier.

Dave Miller, who had been playing forward for the New Trier lightweights, was operated on for appendicitis the day before the Evanston game. Bill Chichester, who took his place, led the team in scoring with six points. Umberger, guard, made five points for New Trier, while his team-mates, Flynn, forward, and Fitzgerald, center and guard, had four each. Evanston took an early lead and was ahead six points at the start of the final quarter. Then New Trier staged a rally that fell short.

Meet Lake Forest

This week, which marks the close of the first semester at New Trier, there will be no league game. However, the New Trier boys go to Lake Forest Saturday to play Lake Forest academy. League competition will be resumed Friday of next week when Oak Park comes to New Trier for return games.
