

## GAETIES REAL VILLAGE EVENT

### Woman's Club Extravaganza Draws Upon Talent From All North Shore Towns

By Lillian M. Christy

Mrs. Arthur J. Dixon, ticket chairman for the Woman's Club Gaieties which will be staged on the evenings of February 15, 16, and 17, urges that those desiring tickets get them soon for the choice locations are going rapidly. And, of course, no one wants to miss this smart and sophisticated revue of north shore celebrities. We want you all to know that when the dignified members of the Woman's club decide to be gay, they can demonstrate something besides slow motion. Come and be convinced! As our popular radio friend says: "I know you'll like it."

Carlton Kaumeyer, concert violinist, assisted by Charles McSherry, pianist, and others of his group are supplying music for the Gaieties and giving liberally of their valuable time for rehearsals. Mr. Kaumeyer has filled many concert engagements and for two years was on tour with a light opera company. He spent the past summer studying with Mischa Mischakoff, concert master of the Chicago Symphony orchestra. Most of his life has been spent here as he is a graduate of New Trier and Northwestern, and for a few years he operated the Wilmette Music shop.

#### Brilliant Array of Talent

Other highlights in our program not previously mentioned include names of many of our local stars who have achieved popularity through and are remembered for their splendid work in dramatic and musical fields of expression.

Mrs. Charles Broad is teacher of dramatic art at Mallinckrodt high school for girls. She also sings in the St. Francis Xavier choir, and is program chairman of the Catholic Woman's club.

Another concert and radio artist to assist with our program is Mrs. Bernice Ozmun of Evanston, a mezzo-soprano of note, who during the past few years has sung over practically all the radio stations in and near Chicago. She has done a great deal of concert work and at one time was soloist in St. Luke's, Evanston.

Orville Daily will be seen in a part in the Gaieties. Mr. Daily is well known as senior warden of the Masonic order and is a member of the Evanston Drum and Bugle corps. He is also a live wire in the American Legion, Post 46, of Wilmette Legionnaires! Come out and give your buddy a hand!

#### Has Character Role

Mrs. Henry Hall, former house chairman of the club, is also playing an important role for us. She is a clever character actress and will be remembered for her splendid portrayal of the colored maid in a recent club walking rehearsal.

Another feature will be a male chorus led by August Bredemeier and Walter Chambers, both tenors. Other members of the ensemble include George Bassler, James Anderson, George Iliff, and Ernest Gould.

We are fortunate to have a group of the Marian Keeney dancers from Winnetka appear in some of their best numbers. Among those taking part are the Misses Joan MacAdams, Elsie Earle, Helen Stephens, Althea Murphy and Esther Morgan. As head of this exceptional dancing school in

Winnetka, Miss Keeney is well known along the north shore.

Mrs. Roy N. Best, Wilmette resident, has played some important dramatic roles and will be remembered for her recent appearance in the club walking rehearsals as the emotional Viennese spy in "When the Whirlwind Blows."

#### Young People Help

Among the younger group to be represented is Edward Ryerson, who has done some fine work with the Lake Shore Players. In addition to this he is an artist of distinction and has designed some attractive stage settings.

Miss Rosaline Mills, one of the Woman's club juniors, is one of the faithful workers behind the scenes who deserves a great deal of credit. She is working on the staff and arranges for rehearsals in addition to assisting with the make-up, prompting, and numerous other details necessary to make a finished production possible.

Next week we will tell you some more secrets about our Gaieties and the rare treat that the director, Mrs. Bernard Brown, is preparing for your pleasure. In the meantime—be sure to get your tickets before they are all gone!

#### GO EAST

Mr. and Mrs. G. W. Vaught, 511 Brier street, Kenilworth, left Friday for New York City on business and pleasure. Mrs. Vaught will visit her sister and brother-in-law, Mr. and Mrs. Wayne Wilson and another sister, Mrs. D. H. Elliott, and also two brothers. Mrs. Vaught's mother, Mrs. M. E. Harrett and her daughter, Joy, are staying with the children during their parents' absence.

Mr. and Mrs. Cedric H. Smith and their son and daughter, who returned from Bermuda a week ago, left Kenilworth Wednesday to spend the remainder of February in Florida.

Mrs. William Schmedtgen was luncheon hostess to her bridge club Tuesday at her home, 710 Greenleaf avenue.

## Tells How Men and Women Lose Fat

### Safe Way Is Wonderful

"I started to take Kruschen and my husband saw what I was doing and asked for some also. Would you believe it, he's lost 12 lbs. in 8 weeks and intends to keep up the good work. I've lost 14 lbs. I am now 139—I was 153. I think Kruschen is simply wonderful." Mrs. J. H. Valentine, Freeport, N. Y.

How would you like to safely and harmlessly lose 15 pounds of fat in a month and at the same time increase your energy and improve your health?

How would you like to lose your double chin and your too prominent hips and abdomen and at the same time make your skin so clean and clear that it will compel admiration?

Get on the scales to-day and see how much you weigh—then get a jar of Kruschen Salts that costs not more than 85 cents and which will last you 4 weeks. Take one half teaspoonful in a glass of hot water every morning before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—and when you have finished the contents of this first bottle weigh yourself again.

After that you'll want to walk around and say to your friends, "One jar of Kruschen Salts is worth one hundred dollars of any fat person's money."

But refuse imitations—safeguard your health—you lose fat SAFELY with Kruschen. Leading druggists America over sell Kruschen Salts.

Start to-day to get that glorious Kruschen feeling—gain in youthfulness, ambition and activity and be free from constipation, gas, acidity and shortness of breath.
