

"You Are Old, Father William" the young man cried, "and you surely must dread that Suburban Ride!"

"YOU are old, Father William" the young man cried, "And your bones are so fragile and brittle that surely a lengthy suburban ride must cause you to ache quite a little!"... "Not at all, not at all!" Father William replied, "I ride the North Western and thrive! On the cushions of plush, through the landscape I rush, and feel grand as on time I arrive!"

Scouts Govern Wilmette; Pass Some Resolutions

The Wilmette scouts who were elected to fill in Wilmette Village offices Saturday morning, February 17, did themselves proud, it is announced. For three hours that day each of the scouts enjoyed the fellowship and gained information from the regular Village officials. In addition to filling the Village offices, the scouts held a board meeting at which several resolutions were passed. The scouts themselves participated in the discussions.

SEA SCOUT SHIP OUILMETTE

K. R. Borgen, a graduate of Annapolis, gave the first of a series of lectures on engineering last Thursday evening. It is planned to have one lecture a month on engineering, which takes up the study of the boiler room and the engine room on a navy boat, and the difference between the equipment needed on a salt water boat and a fresh water boat. One lecture a month will cover the subject of navigation, both dead reckoning (steering a boat by the compass) and piloting (steering a boat by objects visible).

The drum and bugle corps that is being organized is well under way with a total of six drums and two bugles on hand.

The sails for the boats to be built will be laid out and work started this evening. The scouts are planning to do the entire job of building these boats, and by summer hope to have produced something of which all Wilmette will be proud.

Fellows interested in Sea Scouting are being urged to attend one of the Thursday night meetings held each week at the Baptist church.

HONORED

At the Court of High Awards held at New Trier High school recently the Silver Beaver of the National council, Boy Scouts of America, was awarded to Robert W. Townley, Scoutmaster of Troop 13, Cubmaster of Pack 60 of Kenilworth for "Distinguished Service to Boyhood." Mr. Townley's activity in Scouting dates back to 1910 the year of the founding of the Boy Scouts of America. He has been Scoutmaster in Kenilworth for fourteen years and was the first Cubmaster in the North Shore Area council.

News-Minded Scouts to Meet This Sunday

All scribes and other scouts interested in earning the Journalism merit badge or the Press Club quill, and all others interested in newspaper reporting in general are being invited to attend a meeting to be held at scout headquarters at 3 o'clock Sunday afternoon, February 25. The North Shore Area Council Press club will be reorganized so that all scout news can be handled in the best possible manner, it is announced.

HANDICRAFT COURSE

The next session of the handicraft course will be held in Winnetka Community House the evening of February 27 at 7:30 o'clock.

Council First Aid Meet Scheduled for March 3

A council first aid tournament will be held March 3 in the Joseph Sears school, Kenilworth, to select the team which will represent the North Shore Area council in a sectional tournament. March 16 has been set for this sectional meet in which Waukegan, North Shore Area, Evanston, and North West Suburban councils will participate. The winner of the sectional tournament will compete in the Midwest meet March 23.

AID THE NEEDY

In line with the nationwide radio appeal on February 10 by President Roosevelt, scouts of many communities are cooperating with relief agencies in the collection of household furnishings, bedding and clothing for distribution to needy families. The Wilmette scouts will devote this Saturday, February 24, to the collection of old paper and clothing.

Christian Science Churches

"Soul" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, February 18.

The golden text was, "Rejoice the soul of thy servant: for unto Thee, O Lord, do I lift up my soul" (Psalms 86:4).

Among the citations which comprised the lesson-sermon was the following from the Bible: "How amiable are thy tabernacles, O Lord of hosts! My soul longeth, yea, even fainteth for the courts of the Lord:

my heart and my flesh crieth out for the living God. For the Lord God is a sun and shield: the Lord will give grace and glory: no good thing will he withhold from them that walk uprightly" (Psalms 84: 1, 2, 11).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Soul and Spirit being one, God and Soul are one, and this one never included in a limited mind or a limited body. Spirit is eternal, divine. Nothing but Spirit, Soul, can evolve Life, for Spirit is more than all else. Because Soul is immortal, it does not exist in mortality" (p. 335).
