Flat Tire Lands Auto Thief in Police Toils

A flat tire and the Kenilworth police squad car proved to be unfortunate circumstances for Donald Jackson, 22 years old, 4419 Drexel boulevard, Chicago, last Monday. Jackson, confessed automobile thief, stopped the stolen car he had in his possession to fix a tire about 2:30 o'clock Monday morning on Green Bay road south of Kenilworth avenue in Kenilworth. The squad car happened along and this was Jackson's undoing. Investigation by the Kenilworth police revealed that Jackson had a record as an auto thief and that the car he stopped in Kenilworth for the tire-fixing job had been stolen from Ira Gold, 6909 Merrill avenue, Chicago. Mr. Gold's 1933 license plates were no longer on the car, as Mr. Jackson had taken pains to replace them with other plates stolen from another machine. Jackson was turned over to the Woodlawn police in Chicago.

Variety of Features at Woman's Club Mart Here

Would Collect Relics of Wilmette History

Miss Anne Whitmack of the Wilmette public library has long believed that Wilmette's local history should be organized and preserved. The library is regularly asked for all sorts of information. Are there any photographs of the early buildings in Wilmette? Do you have a file of the early maps? When was the Village hall built? Are there any letters, diaries, or narratives of the first residents?

In order to answer these questions and others, the library is asking the people of Wilmette to give all the photographs of people and places, programs of the earlier activities, letters, diaries—anything that describes Wilmette and its people.

The library expects to arrange and classify all material, and preserve it in a steel file with due safeguards as to its use.

Citizens League Pushes Campaign to Exclude Bars

The New Trier Citizens' league has assumed direction of the campaign to exclude saloons from those areas in the township not within any incorporated village.

The referendum on the proposition to permit the sale at retail of alcoholic liquor in these areas will be held Tuesday, April 10, coincident with the general primary election. The voters of these districts will vote at polling places regularly designated for the primary.

The league will have the assistance of those organizations within the villages which are prosecuting similar campaigns to exclude the saloon from their borders.

Movies and Style Show

The children enjoy the movies provided for them and also flock around the grab-bag over which Mrs. H. Otto von der Hoff presides. And, of course, fortune telling is popular with all. There is great interest in the book department and Mrs. F. R. Adams says that it is not too late yet to bring those old books you thought of donating to the Club Mart. Mrs. David P. Moreton is taking subscriptions for magazines, and Mrs. H. A. Finney is selling 1934 admission books for A Century of Progress exposition.

Mrs. John B. Boddie's committee is planning a novel style show for the closing feature tomorrow evening with an attractive stage setting and well trained cast of players.

The Mart, headed by Mrs. R. D. Oilar and her various sub-committees, is sponsored by the ways and means committee of the Woman's club of Wilmette of which Mrs. C. L. Darling is chairman. It is given each year as a benefit for the building fund and is liberally supported by local organizations.
