We Told You So! There's a Suit for Every Occasion! Here Are Three, Sponsored for Business, for Street and for Cocktail Hours

"Join the Navy . . . and set the style" is the slogan of this jaunty navy blue fitted suit with longish coat and immaculate pique rever collar. **\$29.95**

A jaunty grey wool cocktail model adopts, with great chic, a rich moleskin jabot trim in "windblown" effect. **\$25**

Swagger, and the world follows suit! And no wonder, when the swagger is as dapper and smart as this beige wool wind-blown suit, priced at **\$17.50**

Of course, these are but three of our comprehensive collection of dashing suits. Others are the trim trotteur, the youthful finger-tip model and the "dressy" type with soft fur banding.

Here are suits for the woman, the miss, the half-size figure . . . all definitely 1934 inspiration, and the very last word in Spring mode.

Pastel Silk Crepe Achieves Ingenious Blouses for Suits

This winsome blouse is indicative of the charm and vogueishness which characterizes the utterly feminine blouses for Spring and of which we have so splendid a variety.

\$5.95

Notable in this group is the novel neckline treatment and clever sleeves which range from short, to three-quarters, to long.
