

Oak Park Relays Beckon to N. T. Track Athletes

New Trier High school's track team, which recently took second place in both the junior and senior sections of the Suburban league indoor track and field meet at the Oak Park field house, is going back to the western suburb this week with the intention of winning first place in the Oak Park relays on Saturday.

In the indoor meet two weeks ago New Trier was handicapped by the fact that Bollensen, who is good in the high jump, and Bartlett Price, a strong entry in the half-mile, were unable to compete.

A checkup this week of the total number of points scored by members of the track team thus far this season showed that Bill Faymonville, who has been breaking records in the shot put event, is leading with twenty. Close behind him are Martin Bridges, with 19½ points, and George Maxwell, with 19.

Other boys included among the first ten leading point-getters for New Trier and the number of points each has scored thus far are: Capt. James Kingsley, 18½; DeWitt Jones, 17¼; Al Struebing, 16; Phil Hoza, 14; Bartlett Price, 13; Lewis Bollensen, 12½, and Joseph Sacco, 12.
