

## GIRL SCOUTING UNIT LAUNCHES "COOKIE SALE"

**Scouts of Wilmette Will Call  
Upon Householders to Help  
in Annual Fund Project**

*By Wilmette Girl Scout Council*

Following a precedent established last May, Wilmette householders are being afforded an opportunity to make a contribution to Girl Scouting through the medium of "Cookie Sale" funds utilized to continue the Girl Scout program in the village through the ensuing year.

This Girl Scouting program has been approved by the best educational authorities in the country. It is a happy combination of physical, mental and character-building activities, all with a practical bearing on some phase of daily life. The girls join of their own free will and are held through their interest, or not at all.

### Leaders Are Volunteers

Leaders in Scouting are trained for their work. It is this training which makes the necessity for funds to provide it. Only 6 per cent of the Wilmette budget goes outside of the village.

The National Girl Scout headquarters provides help of every kind necessary to maintain their very high standards in the local community. Your council and your leaders are all volunteers. Our meeting places are provided by the schools and churches of Wilmette with no cost to Scouting. Your present commissioner, Mrs. Ralph Moulding, has served voluntarily for eight years, and, with the help of her council members and leaders, has carried on according to the program outlined by national headquarters.

It is not the wish of Scout leaders to use our girls except for community service, and then only in accordance with their own wishes for such service. It is the great desire of the Wilmette Girl Scouts to give value received for the aid which they get from their "Cookie Sale."

### Made in Wilmette Shops

These cookies are made by Wilmette bakeries from a home recipe, bought by Wilmette friends of Girl Scouting, and enjoyed by all those fortunate enough to get them.

It is only once each year that the general public is asked to help this worthy local movement. We provide you an easy way to do your bit by purchasing our cookies for the first four Wednesdays in May from your neighbor Scout who will deliver them to your door. Wilmette Girl Scouts eagerly await your orders so that this activity may continue throughout the coming year.

## Changing Residence? Leave Word at P. O.

The near approach of the annual moving and vacation season impels Postmaster Joseph E. Shantz to remind those who contemplate permanent removals or temporary absence from the village to leave forwarding addresses. Cards may be secured from the carrier. The need for the names of all members of the family is emphasized. However, according to a rule of the federal postal department, only the head of the house may sign for the family. The filing of forwarding addresses may prevent annoyances due to delay in delivery of important mail, Mr. Shantz said.

## Record Discharge Papers, Legion's Plea to War Vets

Probably no article of personal property is so highly prized by an ex-soldier as his discharge papers, which attest his service to his country and the fact that he has honorably fulfilled his military obligations, but while to him it is a document of pride, it is often to his family an instrument of very great importance, especially as evidence in applications for compensation or pensions said Commander D. J. L. Walther of Wilmette Post No. 46 American Legion.

Mr. Walther is reminding ex-service men of the Spanish and World wars of the imperative necessity of providing against annoying complications that might arise through the loss of discharge papers. Wilmette Post, Mr. Walther announces, will call for such papers, have them placed on record at the County Recorder's office, certified copies made, and return the originals to the owners. This service, he emphasizes, will be without charge to the ex-service man. A telephone call to Mr. Walther, Wilmette 3773 or Wilmette 4567, is all that is necessary.

Attention is also called to the fact that if discharge papers are not available or a matter of record, it is impossible to secure the flag which the War department supplies for the purpose of draping the caskets of deceased soldiers. As the Wilmette post keeps a file of the certified copies, this difficulty is overcome in cases where the discharge papers have been destroyed or misplaced. These flags are presented to the nearest relative of the dead soldier.

## Dog Muzzling Time to Begin Here on May 1

Superintendent of Police Henry Brautigam states that all dogs found running at large after May 1 without muzzles or license tags will be impounded and the lawful penalty imposed. It is the desire of the Village authorities to give owners fair warning that the ordinances pertaining to licenses and muzzling will be strictly enforced after the date above mentioned, said Chief Brautigam.

## A Message to Artist- Recital Subscribers

"We can't have until we have" is the expressive comment Mrs. Roland D. Whitman, chairman of the Artist-Recital series of the Winnetka Music club makes in calling attention to the necessity for early subscriptions to next year's series. The committee cannot engage artists for a new series until it has at least a minimum financial guarantee through subscriptions.

Subscribers for tickets need not pay the entire amount at one time, but may send in half this spring, the remainder in the fall, it is explained. The first payment is due May 1. Those already having sent in pledges for tickets are reminded to make their first payments so that the committee may have some financial assurance. With standards of other years by which to judge subscribers to Artist-Recital concerts may trust in the committee for the eleventh season. The calibre of the artists presented depends upon north shore support, "support needed, and needed now."

Checks and applications may be sent to Mrs. Bessie Grant at the State Bank of Winnetka or to Mrs. Roland D. Whitman, 152 Center street, Winnetka.

Paint the car  
You wish to sell  
Or Bake a cake  
You do that well  
You may have a coat  
Or a diamond ring  
But a year from today  
You still may sing "I  
Haven't been able to  
Sell a thing!"

## SET OF CHIMES PAY TRIBUTE TO LEGION'S DEAD

**Wilmette Post and Auxiliary  
to Hold Dedicatory Cere-  
mony Monday, May 7**

A ceremony of compelling interest will take place at the regular meeting of Wilmette Post No. 46 American Legion on Monday evening, May 7, when the Post receives from its memorial committee a set of beautiful chimes as a memorial to departed comrades. The Woman's Auxiliary of the post has been invited to attend.

The presentation will be made by Fred R. Baker, chairman of the memorials committee, who will have charge of that part of the program. Acceptance on behalf of the post will be by Commander D. J. L. Walther. The memorial chimes, the gift of a number of post members, will be dedicated to the late Ralph H. Wesel, commander for the year 1925-1926, and the late Russell C. Johnson, senior vice-commander for 1933-1934. At this and all future meetings of the post, "taps" will be played in tribute to the memory of departed members.

Near relatives of deceased comrades have been invited by letter to be present at the ceremony of dedication. A roll call of the absent will be a feature of the presentation.

The program will take on the character of a military spectacle as those participating will appear in the uniform of Wilmette Post drum and bugle corps. Unveiling of the instrument will be by Mr. Baker.
