NOW! A Permanent Wave

No Machine — No Electricity
We guarantee a soft, silky, natural, marcel effect wave. Surprising, too, how comfortably it is accomplished.

White, dyed, bleached, baby fine and damaged hair are our specialty. Zotos is kindest to your hair. We give other methods if you prefer.

We Specialize in

BODY, FENDER and CHASSIS WORK

All work is done by expert mechanics with years of experience in repair work. Reasonable rates. Estimates gladly given. See Al Rodenkirk for Auto Repairs.

We Now Offer

FREE MOTOR ANALYSIS

The King Motor and Ignition Tester, part of our regular service equipment, is a stethoscope, which tests your motor and ignition system. It finds out the trouble right away, without the expense of tearing down your motor.

Bring in your car now, before Spring, and let the machine "diagnose" its troubles. No charge, of course, for the testing.
