WILMETTE GIRL SCOUTS

—News of the Troops—

Troop Welcomes Five Newcomers

Troop 2 welcomed five newcomers Thursday, April 19—Cora Mae Mersbach, Virginia Bittner, Barbara Jane Oilar, Mary Louise Hall and Jean Burpee. They were introduced to the Girl Scouts' trusty friend, "Mr. Rope," and learned some of his twists and turns.

Promptly at 3:45 o'clock the "on-timers" sailed away on the S. S. Columbus for the Madeira islands, Morocco and Africa. With Peter Pan as the captain and guide, the girls learned much about Columbus' early home, ox-carts, Austins, sham-rocks, sledges, camels, sheiks, veiled women, mosques and the interesting Moslems. Later all the girls played a game to see how many things they remembered about what they had seen on the trip.

Mrs. Moulding came to tell the troop about the cookie sale, and the meeting was scarcely over before hurrying feet were carrying their eager owners to the homes of last year's cookie customers.

When the girls went into various working groups, the requirements for housekeeper's badge were heatedly discussed in one group.

It was announced that for the remaining meetings, Jean Fremont and Anna Jean Pifer, who have been "pinch-hitting" in the matter of reporting the meetings in the troop captain's absence, will alternately act as scribe. "Now Run Along Home" and "Taps" closed this unusually interesting meeting. At the next session the troop will take a trip to Algeria and Naples.—Jean Fremont, scribe.

Troop 8 Girls Appoint Mary Reinwald Scribe

At its recent meeting the tender-foot class of Troop 8 worked on knots. The second class worked on signals and first aid. The girls appointed a new scribe, Mary Reinwald. They planned a bakery sale at the National Tea store on Central avenue. Games were then played. The meeting was closed by singing "Now Run Along Home" and "Taps."—Mary Reinwald, scribe.

LEARN NEW SONG

To begin the recent meeting of Troop 11, we learned a new song. Part of the troop went on a tree hunt while the other part practiced signaling. Mrs. Smith gave us a talk on cookies. We closed our meeting with "Taps."—Carol McCue, scribe.

GIRLS, DON'T FORGET!

Don't forget to work hard for the cookie drive. Enlist all the customers possible. This is a Girl Scout project. Support it in the scout manner!

Mr. and Mrs. Harold Lynch, 1241 Greenwood avenue, returned Wednesday of last week from Iron River, Wis., where they were called by the illness of Mrs. Lynch's mother, Mrs. C. L. Mitchell, who has since improved. Mrs. Lynch's sister, Mrs.

Victor Lukanovic of Columbus, Ohio, accompanied them. On the way they ran into a heavy snowstorm.

Mr. and Mrs. Cedric Smith, 205 Essex road, Kenilworth, left Monday for New York where they will spend two weeks.

Girl Scouts in 1st Celebration of Youth Week

Girl Scouts throughout the country will participate in the first celebration of National Youth week, April 28 to May 5, when attention will be focussed upon the boys and girls of the nation. Mrs. Frederick Edey, national president of the Girl Scouts, is a member of the Youth Week committee, of which Walter W. Head, president of the Boy Scouts, is president.

Youth week is a development of Boys' week, which was inaugurated by the Rotary Club of New York City in 1920. The movement grew until 1933 when Boys' week was observed generally throughout the world. In many cases it was expanded to Youth week. This year the national committee changed its name to the National Youth committee for the United States, and it was recommended that, as far as possible, communities make their observances joint affairs for girls as well as boys.

Girl Scout activities are well adapted to the program which has been outlined for the week. This program suggests a youth recognition parade or an achievement exhibition for the opening day, April 28. Sunday, April 29, the second day, will be observed in the churches with sermons of special interest to young people. An explanation of the purposes of Youth week will also be made from the pulpits.

Other suggestions for the week made by the national committee include Vocational day on Monday. Tuesday will be devoted to health. Wednesday to entertainment and athletics, Thursday to schools, Friday to citizenship, and Saturday to an out-of-doors program. The program for this day is being planned to stimulate adults to a realization of the importance of providing properly equipped playgrounds or capably supervised hikes, canoeing and fishing trips, camping or similar out-of-door activities for young people, and to provide healthful recreation and real knowledge of the joy of coping with natural difficulties in out-of-door life.

Girl Scouts Announce 1934 Training Courses

A program of ninety-six leadership training courses to be given in every part of the country has been planned for the coming summer by the Girl Scouts, it is announced by Dr. Lillian Gilbreth, consulting engineer, member of the Girl Scout national board, and chairman of the personnel division which supervises leadership training. A most diversified program is planned this summer for Camp Edith Macy which will open for its ninth season on May 14. Thirty-six courses will be given in this camp alone.
