## Oil Burner 'Kicks Out' and Firemen Are Called

The fire department was called to 226 Tenth street last Friday, where the oil burner had "kicked out." No damage other than the spreading of soot resulted. On Monday evening an automobile parked on Wilmette avenue just south of Central avenue, became ignited from defective wiring. The fire department responded to the call, but there was no damage except from burned wires.

## Wilmette Rotarians See Cubs Play N. Y. Giants

The Rotary Club of Wilmette varied its program Wednesday by not having any program. The usual luncheon was held and then a large number of the members journeyed to Wrigley field to watch the baseball game between the Cubs and the New York Giants. ## Summer Reading Club Is Travel Club This Year

As in past years, and in response to requests from scores of young readers the Wilmette Public library has announced another reading club this summer.

In previous years the Summer Vacation Reading club has taken the form of a treasure hunt. This year it will be a bit different. A Century of Progress seems to have made youngsters, as well as older folks, travel-minded, and recognizing this urge to travel as the keynote for the summer months, the reading club this year will be a travel club.

As in other years, there will be three groups of travelers: third and fourth graders will do the United States, Mexico, Canada and the far North; fifth and sixth grades will travel through Europe; and seventh and eighth graders, and those entering high school will visit Asia and Africa.

Each traveler joining the club will be issued a ticket, which will be punched every time a book is read; ten punches on the ticket make the reader a member of the club in high standing and entitle him to a certificate at the end of the club season, and for each five books read in addition to the first ten a red seal will be added to the certificate.

Every boy and girl living in Wilmette is entitled to join the club, which opened Monday of this week and will last for about eight weeks. This gives those who are going away on short vacation a chance to "travel" before they go and after they return.

Further information about routes, passports, etc. may be obtained in the children's room of the library.
