

Constitution Defense League Holds Meeting

The Wilmette League for Defense of Constitutional Government held a meeting at Stolp school auditorium Monday evening. The league is organized to oppose the radical trends in our present administration, it is explained, and to work for a return to government under the provisions of the constitution.

The speaker was G. Simon Carter, whose address, "From Autocracy to Democracy to the Left," made a profound impression upon his hearers. It was devoted largely to an explanation of the difference between a republic and a democracy, and pointed out that turning to the latter has always resulted in a dictatorship.

While condemning the present administration for departures from the constitution, Mr. Carter said that the Republican party had also been guilty of "chiseling" on that fundamental document, which he described as "God created and man discovered." Paying his respects to the "brain trust," the speaker said he believed in the employment of brains in government, but intimated that he was particular about the kind of brains employed.

Mr. Carter made a spirited defense of the principle of property rights and individual initiative, and deplored the alleged supplanting of statesman by demagogues advocating all manner of paternalistic experiments that threaten the security of property rights. Speaking of taxes, he said that the complacency with which the people of America view the mounting national debt and the spending of colossal sums of money indicate that they still believe in Santa Claus.

ILLINOIS GRADUATE

Miss Betty Murdock, daughter of Mr. and Mrs. George N. Murdock, 2111 Birchwood avenue, graduated on June 11, from the University of Illinois, having been distinguished for her campus activities. Miss Murdock was a member of Sigma Kappa sorority, art editor for two years of "The Siren," and actively interested in the Theatre Guild productions. Her parents and her aunt, Mrs. Newell G. Woods of Wilmette, attended the commencement exercises.

ON TOUR OF WEST

Miss Elizabeth DeBerard, daughter of the Wilford W. DeBerards, 802 Elmwood avenue, left last Saturday on a five weeks' motor tour through the west, particularly Estes Park, Yellowstone, and the Black Hills.
