

Elect Wilmette Girl to Honorary Music Group

Katharine Ellis, daughter of Mr. and Mrs. William H. Ellis, 823 Greenwood, Wilmette, and Northwestern university student, has been elected to membership in Pi Kappa Lambda, honorary music sorority. Pi Kappa Lambda recognizes superior ability and talent among music students and corresponds to the Phi Beta Kappa of the college world.

Offer More Tours at Field Museum

To provide greater service for the large crowds of summer visitors at Field Museum of Natural History, a special schedule of guide-lecture tours, increasing the number from one to three tours daily (except Saturdays and Sundays when tours are not given), was announced recently by Stephen C. Simms, director of the museum. This special schedule will be observed during July and August. General tours, presenting a survey of exhibits in all departments—anthropology, botany, geology, and zoology—will be given at 10 a. m. and 3 p. m. on Mondays, Tuesdays, Wednesdays and Fridays, and at 10 a. m., 11 a. m. and 3 p. m. on Thursdays.

In addition, at 11 a. m. (except Thursdays) special tours covering a particular subject will be given. On Mondays the 11 a. m. tour will be devoted to exhibits dealing with plant life; on Tuesdays, to the Halls of Primitive and Civilized Peoples; on Wednesdays, to animal groups, and on Fridays, to minerals and prehistoric exhibits.

These tours, for which no charge is

made, are conducted by staff lecturers. They are open to all museum visitors. Parties assemble inside the north entrance of the museum building.

4 Persons Injured in Kenilworth Auto Crash

A serious automobile accident, involving three cars and several persons, occurred Wednesday of last week on Sheridan road, Kenilworth, between Tenth street and Abingdon avenue. A car driven by Harold Wagner, 2508 Thornwood avenue, Wilmette, going south on Sheridan, sideswiped a car driven by Adam Bernarde, 1124 Greenleaf avenue, Wilmette. In the crash another car driven by J. Hirsh, 155 Carol street, Chicago, was struck. As a result of the collision Miss Margaret Hoffman, who was in the Wagner car, was badly cut, Mr. Hirsh sustained a severe injury to one foot, and Mr. and Mrs. Rossler, who were riding in the Hirsh car both were injured, she sustaining a broken arm and he receiving lacerations and cuts. Mr. Hirsh, the Rosslers and Miss Hoffman were taken to the Evanston hospital, where their injuries were treated. They were returned to their homes the next morning.

Mrs. Charles Bixby was luncheon hostess to her quilting club Friday at her home, 1104 Ashland avenue.

State to Arrest Auto Drivers Who Ignore Stop Signs

Automobile drivers who refuse to observe stop signs and who insist on driving in the center of a four-lane highway are warned to "mend their ways" if they would avoid a run-in with John Law.

Opening a state-wide drive against traffic violators, L. M. Taylor, acting superintendent of state police, has just issued a final warning to motorists to comply with all traffic rules in effect on Illinois state highways.

Police sergeants in every district have been notified to instruct their officers to make arrests. Superintendent Taylor said. The campaign is directed especially against drivers who ignore stop signs when approaching main highways from side roads, Taylor stated.

Other traffic regulations, infraction of which will lead to arrest and imposition of fines from ten dollars up, include those pertaining to driving to the right of black dividing lines, slowing down at intersections, passing on curves and hills, reckless passing on straightways and keeping to outer lanes except when passing another car.

These regulations, Taylor pointed out, were adopted to protect motorists. Drivers, he said, should cooperate willingly with the police and help cut down the number of auto fatalities.
