The Black Hills! Christian Science Churches

"Is the Universe, Including Man, Evolved by Atomic Force?" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, June 24.

The Golden text was, "To us there is but one God, the Father, of whom are all things, and we in him" (1 Cor. 8:6).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Bless the Lord, O my soul. O Lord my God, thou art very great; thou art clothed with honour and majesty. Who coverest thyself with light as with a garment: who stretchest out the heavens like a curtain: who layeth the beams of his chambers in the waters; who maketh the clouds his chariot: who walketh upon the wings of the wind: who laid the foundations of the earth, that it should not be removed for ever" (Psalms 104:1-3, 5).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Material evolution implies that the great First Cause must become material and afterwards must either return to Mind or go down into dust and nothingness. . . . Inspired thought relinquishes a material, sensual, and mortal theory of the universe, and adopts the spiritual and immortal" (p. 547).

Mr. and Mrs. Allen Pearson (Avis Lundahl) of Goshen, Ind., spent the week-end visiting Mrs. Pearson's parents, the Herbert Lundahls of 228 Raleigh road, Kenilworth.

2 From New Trier Are Elected to Sigma Xi

Two students at Northwestern university from the New Trier villages have been elected to membership in Sigma Xi, honorary scientific fraternity. They are Dorothy Bradshaw, daughter of Mr. and Mrs. R. W. Bradshaw, 436 Maple avenue, Winnetka, who became an active member, and William H. Hulswit, son of Mr. and Mrs. W. H. Hulswit, 235 Mary street, Glencoe, who became an associate member.

Membership in Sigma Xi is based on research and publication in science. Election to the organization is governed by a board of directors.

Six other students at Northwestern from the New Trier villages sailed Wednesday from Norfolk, Virginia, on the destroyer, U. S. S. Fairfax, for a three weeks' training cruise with the Northwestern naval unit. These students are Eugene Nickel, son of Mr. and Mrs. G. J. Nickel, 140 Bertling lane, Winnetka; Carroll Murphy, son of Mr. and Mrs. C. D. Murphy, 875 Hill road, Winnetka; A. Ballard Bradley, son of Mr. and Mrs. A. B. Bradley, 808 Willow road, Winnetka; Wilbert Kunz, son of Mr. and Mrs. E. A. Kunz, 714 Laurel avenue, Wilmette; John Gibbons, son of Mr. and Mrs. T. P. Gibbons, 1500 Forest avenue, Wilmette, and Eugene E. Mancinelli, 1010 Sheridan road, Wilmette.

After spending five days in the vicinity of Norfolk, the Fairfax will sail for Miami and Jacksonville, Fla. The annual cruise is a part of the reserve officers training.

Frances Cutler, 1001 Lake avenue, left last Thursday for Estes Park Colo., where she will attend the Alpha Phi convention.
