

CENTRAL-LAUREL P. T. A.

At the last board meeting of the Central-Laurel Parent Teachers association plans were discussed to increase the libraries in the individual class rooms. Requests have been made by the teachers for various books to assist in reading material and project work.

At this season of the year many parents are planning to place new books in their libraries at home for the children's use. A complete list of the books needed will be compiled and a copy of the list given the children. Won't you please check the list carefully, and if you should have on your shelf one or more books mentioned on the list that have served your purpose, donate them to the school library?

Classes in ballet, tap dancing and tiny tots' will be resumed next Monday. These classes are taught by Miss Alice Stade of Wilmette and are in charge of Mrs. D. Porter Empfield. If your child is interested in this type of dancing, please call either Miss Alice Stade at Wil. 2838, or Mrs. Empfield at Wil. 4452.
