

## SALESROOM ATTRACTS VILLAGERS

The many visitors at the recently opened Shore Line Motors salesroom at 666 Center street, Winnetka, are commenting not only on the new Dodge and Plymouth cars but also on the dignified and impressive appointments of the room.

Silver draperies, festoons of smilax and baskets of American Beauty roses

placed at strategic points add to the attractiveness of the room. Jack Stinson and Walter Hustung are the owners.

## Christian Science Churches

"Sacrament" was the subject of the lesson-sermon in all Churches of Christ, Scientist, on Sunday, January 13.

The golden text was, "A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another" (John 13:34, 35).

Among the citations which comprised the lesson-sermon was the following from the Bible: "Now when the even was come, he sat down with the twelve. And as they were eating, Jesus took bread, and blessed it, and brake it, and gave it to the disciples, and said, Take, eat; this is my body" (Matthew 26:20, 26).

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Their bread indeed came down from heaven. It was the great truth of spiritual being, healing the sick and casting out error. Their Master had explained it all before, and now this bread was feeding and sustaining them. They had borne this bread from house to house, breaking (explaining) it to others, and now it comforted themselves" (p. 33).

Ruth Zibble, daughter of Mr. and Mrs. W. H. Zibble, 1225 Washington avenue, entertained twelve girls last Sunday on the occasion of her twelfth birthday.

Mrs. Harvey Craig, 716 Lake avenue, entertained at three tables of luncheon and bridge last Tuesday.
