

Treasurer of Catholic Club Receives Praise

Commenting upon the work of Mrs. William E. Genner, 1729 Highland avenue, the treasurer of the Woman's Catholic Club of Wilmette, a member of that organization, writes:

"Mrs. Genner's interests run along educational lines, and her school friends say that she was unexcelled in mathematics. No wonder her monthly reports at the board meetings make us marvel at their completeness and accuracy. An experienced auditor commented upon the perfection of her work. However, it is not alone for the perfection of her treasurership that she is beloved by her club sisters, but, above that, for the warmth of her friendliness, be it shown by her greeting as one passes her table near the door, or by a little note sent when one is in distress.

"Friendliness like Mrs. Genner's makes new members feel at home, and old friends realize that club hour is one of the sunniest spots in their lives."—S.C.
