GINGER ROGERS "ROMANCE IN MANHATTAN"

with Francis Lederer

Community Presents "The Merry Widow"

Many of the most colorful nations in Europe have contributed to the Continental glamor of Metro-Goldwyn-Mayer's production of "The Merry Widow," which brings to the talking screen the gay Viennese music and romantic song hits of Franz Lehar. The picture will be shown at Winnetka Community theater Tuesday and Wednesday, February 19 and 20.

Bits of fashions, scenery, customs, traditions and typical national music of many lands are blended into the picturesque whole in this spectacular film which co-stars Maurice Chevalier and Jeanette MacDonald.

Instead of being laid in any particular country, its locale is the mythical kingdom of Marshovia, as originally written by Lehar. Gorgeous uniforms, court ceremonials and other vivid detail were worked out in huge settings.

Uniforms were designed by blending characteristics of Russian, British, French, Austrian and other military garb. The gowns Miss MacDonald wears in the picture were similarly blended by Adrian from characteristics of many countries, thus giving a strictly Continental flavor. Settings were handled in the same unique manner.

Among the players are Edward Everett Horton, Una Merkel, George Barbier and Sterling Holloway.

"Big Hearted Herbert," the Warner Brothers comedy drama which is scheduled at Community theater for Friday and Saturday, February 15 and 16, is heralded as a novel and most unusual fun film. Guy Kibbee, Aline MacMahon, Patricia Ellis and Robert Barrat are starred.

Wednesday evening of last week as Margaret Johnston, 15 years old, 1511 Greenwood avenue, ran out of an alley into Fifteenth street, she was struck by an automobile driven by M. A. Varsity Schedules New Extravaganza With Eddie Cantor

"Kid Millions," an eye-ful and ear-ful, with Eddie Cantor leading the comedy capers, is the lavish spectacle the Varsity theater will offer patrons this Friday, Saturday and Sunday.

As a mild hint that it's worth a transcontinental trip to see this picture, may it be mentioned that Eddie goes to Egypt to collect a treasure which he has inherited from his father, and may it be added that what happens on the way is so funny it causes the movie editor to laugh so violently he can't hit the right keys on the typewriter. So there's no telling what happens. The thing to do is to see this picture. The last scene alone is worth . . . Oh, well, the superlatives have been exhausted . . . Simply settle down in a seat at the Varsity . . . The rest is sheer joy.

Next Monday and Tuesday, the Varsity presents that great emotional actress, Barbara Stanwyck, who gives an interesting characterization in her new vehicle "The Secret Bride." Warren William, Grant Mitchell, Glenda Farrell and Arthur Byron are also involved in the plot.

"Romance in Manhattan," which critics regard as a well-nigh perfect screen play, is the Varsity attraction next Wednesday and Thursday. Francis Lederer portrays the immigrant lad who falls in love with Ginger Rogers. An Irish cop, J. Farrell MacDonald, tries to help the lad in his love plight. It's a fine story, with an excellent cast and flawless direction.
