Lord's Store Now Selling Hickey-Freeman Clothing

A. H. Ullrich, president of Lord's, announced this week that the store for Men has acquired the exclusive sale of Hickey-Freeman clothing for Evanston and the north shore.

In his official statement Mr. Ullrich says: "The name Lord's has always been synonymous with high quality. It is indeed a signal recognition for Hickey-Freeman to select our Store for Men as the logical outlet for their finely tailored clothing for our shopping area."

"I personally am very happy we are able to present this high quality clothing, and that we have such able men as Bob Williams and Ray MacLennan to guide you in your selection."

The formal opening begins Thursday, April 4, and continues all this week. A cordial invitation is extended to all north shore men to inspect these clothes at this time.

Thirty-three contagious disease cases in Wilmette were reported for the week ending March 30, compared to 57 cases for the previous week, the local Health department records show. The 33 cases reported for last week were listed as follows: chicken pox, 7; whooping cough, 7; measles, 7; scarlet fever, 4; German measles, 5; tuberculosis, 2, and mumps, 1.

Thomas Antrim arrived home Friday on the Dartmouth special for his spring vacation with his parents, the E. M. Antrims of 1136 Ashland avenue.

Local Assessors Get Support for New Legislation

At a meeting of the Cook County Assessors' association held in Riverside, recently, Thomas A. Matthews of the Suburban Area Association of Cook County explained the bills planned by that organization to give township collectors in Cook county the power to make assessments, and to permit township collectors to receive tax money all year round. The Assessors' association voted to endorse these measures.

Harry Brundage, president of the assessors' group, explained that these measures were in line with the advanced policy of suburban towns to preserve and improve local self government.

Henry R. Schwarzell, assessor for Cicero, charged that the bills now before the legislature to abolish the offices of township assessor and township collector in Cook county were introduced to "satisfy a personal grudge of a certain member of the legislature against the present town collector in Cicero."

A. L. Long of Lombard, president of the State Association of Township Assessors, promised the support of the state organization to the Cook county group.

Mrs. Walter Doering, 1325 Chestnut avenue, spent last week in St. Louis and Springfield, Ill., visiting Mr. and Mrs. Oscar Zelle and family in Springfield.

The Goodwin Wilsons, 201 Cumberland avenue, Kenilworth, have leased the W. B. Fitch home at 416 Cumnor road, which they will occupy May 1.
