Invites Recruits**

The American Legion Rifle and Pistol club will meet Monday, April 15, at 7:30 o'clock, at Hill's Service Station, 421 Main street.

This organization welcomes as members who are interested in shooting with the rifle and pistol. The club plans to purchase several rifles for use of members, and permission to fire on the new police range in the Wilmette waterworks is anticipated.

National Rifle association matches are now in progress, and the club is anxious to qualify men in these meets.

Those interested are urged to turn out Monday night, for the important meeting.
