High School Girls Get Golf Lessons

Free golf instruction for girls who are members of the Girls' Athletic association at New Trier High school is provided every Saturday morning at the Techny Fields course. The girls also play nine holes each Saturday. They hold practices every Thursday at the high school.

The G. A. A. horse show is to be held near the close of the school year, and practices for this are now being held. Other current sports besides riding include baseball, tennis and archery.

Advisor room baseball games are played practically every night, and a tennis tournament is now in progress. The girls have been unable to use the clay courts at the high school because of rain, and the new cement courts are just being completed. Consequently other courts have been used for the tournament.

Much interest has been shown in archery, and shooting is held after school every day. Scores are being kept for team tryouts.

Mrs. James Prindle of Glencoe, formerly of Evanston, was luncheon hostess to her north shore sewing club recently. Among the members from Kenilworth are Miss Virginia Belt, Miss Katherine Stolp, Mrs. Robert Osgood, and Mrs. Claude Sanders.

Mr. and Mrs. Frank G. Karlake and their three sons Donald, William, and Richard, of 520 Lake avenue, moved to Wilmette about the middle of April. They formerly lived in Evanston.
