New Trier High Golf Team Appears Destined for Another Championship

Undeclared So Far and Wins
Four Over Week-End

New Trier High school's golf team, champion of the Suburban league last season and undefeated thus far this year, added to its laurels last week by winning four matches, two of them from league schools.

Waukegan, newest member of the league, was the first victim. The match was played on Tuesday at the Indian Hill Country club, and New Trier won, 8½ to 6½. The best scores were turned in by Joe Franco, who had a 76, and George Victor, who shot 78. Victor's opponent, F. Perpich, finished with an 80. The three members of the New Trier team besides Franco and Victor were Charles Moreau, who scored 1½ points, Carl Mickelsen, and Fred Workman, who contributed two points.

Each school in the league uses a five-man team, and eighteen holes are

played in each match. The boy who whips his opponent on the first nine holes earns a point for his school. Another point goes to the school whose representative wins the last nine holes. A third point is earned by each of the five boys having a better record than his opponent on all eighteen holes.

Lake Forest academy was defeated by New Trier, 11½ to 3½, at the Indian Hill course on Wednesday afternoon. The New Trier team, with one exception, was composed of the same players that competed against Waukegan. Gilbert McIntosh replaced Fred Workman. George Victor had the best score of the day, 79. Joe Franco turned in an 82 and Charles Moreau an 83. Moreau, Victor and McIntosh contributed three points each to New Trier's total, and Franco made two and a half.

Victor in Rare Form

For the third time within a week George Victor, No. 1 man on the New Trier team, shot under 80 when his team whipped Oak Park last Friday afternoon in another Suburban league match at the Oak Park Country club course, 8 to 7. The Oak Park course is "tough," according to H. B. Aram, New Trier coach, and the home boys gave their north shore opponents the hardest battle of the season.

Points for New Trier were made as following: Joe Franco, 3; Gilbert McIntosh, 3; George Victor, 1½, and Charles Moreau, ½. The fifth member of the team was Fred Workman. Victor shot a 78 and Franco an 81.

At the McHenry Country club last Saturday New Trier whipped the McHenry High school team, 9½ to 5½. George Victor had the best score, 81. He made three points for New Trier, as did Fred Workman. Franco made two and a half and McIntosh one. Carl Mickelsen was the fifth member of the team.

Gallagher Off Team

Tom Gallagher, captain of the New Trier team this year and ranked as the No. 3 player, recently underwent an appendicitis operation and will be lost for the entire season, Coach Aram reported this week. His loss weakens the team considerably, but the boys still have hopes of again winning the league championship.

A match with Proviso High school of Maywood, originally scheduled for Friday, May 3, but postponed because of rain, is to be played Thursday of this week at the Indian Hill course. Other league matches remaining on New Trier's schedule are as follows: Morton this Friday, Evanston next Monday and Deerfield next Wednesday. The league tournament is to be played Friday next week.

Illinois Country Club Plans Evening Parties

An innovation in the nature of a combined dinner, keno and card party is scheduled to take place at the Illinois Country club Saturday night, May 18. It will be informal.

This is only one of many novel events planned by the entertainment committee of the club which contemplate a summer of interesting activities for all the members, their families and friends.

Saturday night keno parties will be made regular events this summer should this week's entertainment prove popular.

Mr. and Mrs. Allan D. Cunningham and daughter, Mary, 156 Woodstock avenue, Kenilworth, motored to Culver, Ind., to spend Mother's day with their son, John.

CHARTING A COURSE

to
winter comfort

Wise is the seaman who, with a glance at his charts, knows the safe way to steer his vessel.

Wise, too, is the homeowner, who like the sailor follows the sane, sensible course to fuel economy and winter home comfort.

A Murphy-Miles fuel oil contract charts this course. It assures the lowest possible prices at all times and an

ample supply of fuel oil in your tank all winter long.

Many people . . . your friends and neighbors, no doubt . . . select this means of sailing through winter storms smoothly and healthfully.

Murphy-Miles fuel oil contracts are COMING SOON. Wait for the big news!
