Invite Public to View N. U. Art Show at Tea

The annual exhibition of work of art students at Northwestern university will be held at the Art studio, 1881 Sheridan road, Evanston, Monday, May 20. Tea will be served from 3 until 5. The exhibit, and tea, are open to the public.

Sponsored by the Art seminar committee of the University guild, the exhibition includes interesting examples of interior decoration executed under the direction of Prof. Anna Rutt, and drawing, painting, and design under the direction of Clara MacGowan, assistant professor of art.

One of the interesting features of the afternoon will be the display of plates from the new book the students of design are making, which, in linoleum block prints, is the "Social History of Chicago," a companion volume to the "History of Chicago." Professor Arthur Todd, head of the sociology department, has selected the topics for depiction in the new book.

Mrs. R. E. Wilson and Mrs. George Kestor are in charge of general arrangements for the tea. Pouring will be Mrs. Walter Dill Scott and Mrs. Herbert Philbrick, president of the University guild; Mrs. Percival Myall, Mrs. Daniel Boone, Mrs. Addison Hibbard, Mrs. George Beecher, and Mrs. Theodore Koch.

In charge of the refreshment committee are Mrs. Lester Bockstahler, Mrs. Merle Sutter, Mrs. Walter K. Smart, and Mrs. Delbert Duncan.

Sir Francis Younghusband, author, lecturer and explorer, English official of the Fellowship of Faiths, now lecturing in America preparing for the second World Congress of Faiths, to be held in London, July 1936, was a guest for tea last Friday afternoon at the home of Mrs. Frank Schaedler, 301 Sheridan road, Wilmette.

Young People Sponsor Annual Cathedral Ball

The tenth annual Cathedral May ball will be held Friday, May 17, in the Gold Coast room at the Drake. This ball is given under the auspices of the Gamma Kappa Delta, Episcopal Young People's association and under the support of Bishop George Craig Stewart. The proceeds are always given to the cathedral fund, which was started 10 years ago by the late Bishop Charles P. Anderson and has passed the \$22,000 mark. It is being used for the erection of a cathedral to take the place of that of St. Peter and St. Paul, which was burned down about fifteen years ago.

Goodwin Roberts of St. Mary's at Park Ridge is the chairman of the ball. President of the association is Leigh H. Hunt.

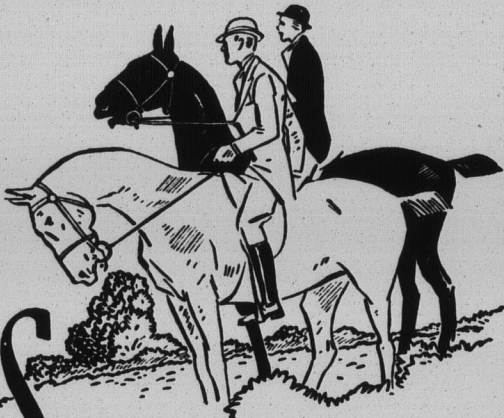

Joe Sanders and Art Kassel's orchestras will furnish the music.

Tickets may be had by calling Miss Barbara Crowe, of 234 Raleigh road, Kenilworth.

Big GAME HUNTING Along THE ALASKA RAILROAD

The Alaska Railroad might well be termed an "Iron Trail to the hunting grounds" for it cuts squarely through the choicest big game fields of Central Alaska.

On nearly every mile of the railroad one is "in the game." In the broad lowland valleys frequent glimpses of Moose and Black Bear lend thrills to the traveler, while from the high crags of the ranges white Mountain Sheep and Mountain Goats gaze serenely down at the passing trains. Across the mountain passes, herds of Caribou are seen.

The most notable big game animal in Alaska is the giant Moose. A hunter encountering an Alaska Moose stands awed by its superb dimensions for a full grown bull will stand seven feet high at the shoulders and its weight is likely to exceed three-quarters of a ton.

Send for Big Game Hunting booklet giving complete information.
