Chicago Tied by Minnesota for "C" Title

Thursday afternoon, May 2, Minnesota intramural baseball team defeated Chicago, 12 to 11. The game was played on the Village Green at 3:30 o'clock. Minnesota was losing until the last half of the sixth when Kulp, the captain of Minnesota, got up to bat and hit a homer with two on base. After Kulp had run all the way around, the umpire called

him out for not touching second base. Minnesota disagreed with the decision so much that the umpire had to see Mr. Mackie, the Howard gymnasium instructor. Mr. Mackie said the umpire had called Kulp out, so he was out; but the two runs he had knocked in counted. This was the third out, so Minnesota took the field. Minnesota held Chicago hitless in the seventh, the final inning.

This tied these two teams for the championship of the "C" league. Minnesota lost its first game to Chicago and won the last.

The captain of Minnesota is Kulp. He played center field, Heinrichs first base, Davis second base, Reding third, Winn short stop, Hughes catcher, Knowles right field, and Youngberg left field.

The captain of Chicago is Dodds. Some of Chicago players are Ferguson, Baron, Dodds and Ringholm.—Bob Heinrichs, Howard 8A.

Times Junior Flashing Many Interesting Items

The 1C boys publish a monthly paper, the Times Junior. There are stories, jokes, radio programs for the week, sports, and the personal column which interests everyone the most. Your name may be in and then again it may not. The paper was at first bought only by the eighth graders but now both seventh and eighth grades read it and enjoy it.—Virginia Ogilvie, Stolp 2D.

MAKE MUSIC FOLDERS

In Miss McKay's room we are making music folders. We are only supposed to have one color of paper but she gives us two. My colors are yellow and blue. Some people are doing theirs in ink. They are pretty good if I say so myself.—Bill Everham, Howard 6B.

REGISTER AT NEW TRIER

Monday, May 13, the eighth grades of Stolp and Howard went to New Trier either by train or on bicycle. We registered and met some of the teachers and then looked the school over. I know everyone is very excited about going to New Trier.—Dick Hooker, 1C.

Singers, Orchestra Give Spring Concert

The Howard and Stolp glee clubs and orchestra sponsored the annual spring concert in the Howard gymnasium Wednesday, May 8.

The glee clubs were under the direction of Mrs. Clark, and the orchestra was led by Katherine Wagner.

All the money made on the concert will be used to buy instruments for the two schools.

The gymnasium was packed and a few people had to stand because of the lack of seating space. After the concert Mrs. Clark received gifts from the glee clubs, and Mrs. Wagner was given a salad set for her silver set given to her by previous orchestras.

By this concert the orchestra won an engagement to play at the Sherman House for the Federation of Women's Clubs.—Dick Penberthy, Howard 8D.

Girls Favor Semi-Formal Dresses for Graduation

Thursday afternoon, May 9, the eighth grade girls of Stolp gathered in the art room and discussed the problem of graduation dresses. Ruth Scheibel of 2C presided over the meeting. Several different opinions were expressed during the discussion which led to the forming of two groups, one in favor of sport dresses, the other favoring semi-formals. After a heated debate a vote was taken to determine which group dominated. The semi-formal won by a large majority. This, of course, is not final. The mothers will meet at Howard to decide definitely.—Harline Ward, 2C.

On Friday, May 10, the pupils of Stolp school started reading the unit about the Civil war. There are four chapters concerning this unit one of which we are reading now. Frank Tonoli Ready to Serve Fine Food in Most Any Language

"Parli Italiano con me per piacere" asked the guest, "Ja, mit grosse vergnuegung," replied the genial host. "Au bien, es-ce-que vous voulez parler Francais avec moi?"

Such was the opening colloquy between a recent guest and the smiling host of the newly christened Chimneys Grill in Winnetka. Since then those who wish to check up on, if not to fortify their somewhat rusty French, German or Italian, have taken to dropping in at the grill. And well they may for Frank Tonoli speaks his four languages fluently and well.

He was born in the north of Italy at Gardone on Lake Garda, the present home of D'Annunzio and a few miles from the now famous Stresa. At the age of ten, moved by a small boy's irresistible urge, he ran away from home to start (as a bus boy) in Munich, his life's work as a restaurateur. Here he remained from 1908 until the outbreak of the World war when he was called home to the Italian colors. After the Great Retreat, he was assigned to the English army to serve in the front lines as an interpreter.

At the close of the war with three decorations, Mr. Tonoli returned to his vocation. This carried him successively into Switzerland, France and then to England. In London he was connected with the Savoy, the Cecil, and Claridge's and several exclusive clubs. In 1920 he returned as the owner of a restaurant in Munich where he had started as a bus boy.

In 1923 Mr. Tonoli sold out and came directly to Chicago. In Chicago he was connected with the South Shore Country club and the Edgewater Beach hotel. His experience and ability was such that he was selected by the Italian Consul to manage the Italian restaurant at A Century of Progress, where he was called upon to serve upward of four thousand people daily out of a kitchen equipped for five hundred.

When he visited the Chimneys its old world atmosphere aroused within him a feeling of nostalgia. So he sold his restaurant on the south side and took over the Chimneys Grill.

Mrs. Kerry Meagher, 716 Central avenue, was hostess at a bridge luncheon Tuesday of last week in honor of Mrs. Albert Nystrom, who recently returned from Florida. The other honor guest was Mrs. George Murdock, who was visiting her daughter in Glencoe.

Mr. and Mrs. George F. Wright and Mrs. Edwin J. Herrick, accompanied by Mrs. Eugene L. Swenson of Evanston, motored to Greencastle, Ind., Friday to spend Mother's day with their daughters, Janet Kathryn Wright and Betty Herrick, freshmen at DePauw university.

Mr. and Mrs. Arthur Allen, 803 Chestnut avenue, returned Sunday from their winter home at Miami Beach, Fla., where they spent the past 7 months. Mr. Allen left Miami three weeks ago to go on a business trip to New York.

Dr. and Mrs. D. Upson and daughter, Miss Jean, returned last week from a ten days' motor trip to Turkey Run, Brown County, and Clifty Falls, Ind.

Mrs. Louis Stone of Evanston, formerly of Kenilworth, was hostess at luncheon to her bridge club Monday.
