

## Legislation to Aid Schools Lags in State Assembly

Bernice T. Van der Vries of Winnetka, representative from the seventh district, in the Illinois Legislature, pointing to the lack of progress in solving the school problems, said this week:

"School problems are making slow progress or no progress at all in the 59th session of the general assembly. Bills appropriating funds due the state school distributive fund have been on the calendar of the house for two months after receiving recommendations for passage from the educational and appropriations committees.

"These bills if passed would ease the financial difficulties in many school districts as budgets for the current year were based on the expectation that the state would pay the schools the amount due from the fund. I believe that these bills should be called for passage at the earliest possible time and should receive the

vote of every member of the house.

"I believe that house bill 805, introduced by Representative Edwards, is a forward step in necessary consolidation of schools. This bill has not yet had a hearing in the education committee.

"The bills introduced by Representative Lottie Holman O'Neill which provides for a state distributive fund of \$29,702,546 will have the support of all educational organizations. The present fund of \$10,500,000 a year places Illinois far down in the list as measured by the support given schools by other states.

"New York has a state distributive fund of \$116,000,000 a year for its schools. The only way possible to give the children of Illinois the 'thorough and efficient system of free schools' to which they are entitled by the constitution is to increase the state distributive fund. I expect to support these bills if and when they are brought before the house for passage."

### HOME FROM FISHING

Mr. and Mrs. R. M. Hvid, 621 Elmwood avenue, have returned from a fishing trip in the Catskill mountains, motoring by way of Ithaca, N. Y., where they visited their daughter, Mary Hvid, who is at Cornell university.

### BOOSTS GOLF

Announcement is made of the opening of the Wilmette Golf club for the new season. John Brooks (above), president of the club, invites all golfers to take advantage of this conveniently located course—Lake avenue at Harms road—which provides the utmost in accommodations. The course, President Brooks reports, is in good condition, the fairways are well kept and the greens are smooth. The club house has been redecorated and excellent cuisine service awaits the players who wish to top off the day with a fine dinner.

### MOTOR IN MICHIGAN

Mr. and Mrs. H. E. Poronto, 901 Elmwood avenue, and Mr. and Mrs. D. L. Harris, 629 Central avenue, spent the past week-end driving through Michigan. They drove through Holland particularly to see the tulips, and stopped in Dearborn and Detroit.

Mrs. Herbert Hooker of Urbana arrived Monday to visit Mrs. George Maher of 424 Warwick road, Kenilworth. Mrs. Hooker is a sister of the late Mr. Maher.

Mr. and Mrs. Lester Hardiman, 230 Oxford road, Kenilworth, returned Wednesday of last week from a two months' visit at Hot Springs, Ark.

## Young Men's Club Has Calendar Full of Thrilling Events

The Tenth District Young Men's club finds that the calendar provides quite thrilling literature these days.

The members are still talking about the weekly meeting held Tuesday night at the Techny Fields Golf club. Max Murdock, chairman of the civic affairs committee of the Union League club, delivered the main address on the Permanent Registration bill now pending before the state legislature at Springfield. Mr. Murdock's talk was particularly enlightening, inasmuch as he is considered thoroughly familiar with the existing registration evils. He has just completed an exhaustive investigation of the present system as it operates in Illinois.

### Brooks to Speak June 3

Monday night, June 3, brings another calendar thrill when C. Wayland Brooks will address the club on "Youth and Good Government" at Winnetka Community House. Mr. Brooks is an orator of great note, having been an assistant state's attorney of Cook county for many years, a candidate for the office of state treasurer and also candidate for congressman at large from the state of Illinois. The Young Men's club extends an invitation to all New Trier township residents to hear Mr. Brooks speak.

The Wilmette Golf club will be the scene of the first annual dance to be held by the Tenth District Young Men's club, Saturday night, June 15. The officers of the Young Men's club report that a lively evening of entertainment has been arranged.

### Club has 200 Members

Since its inception some six months ago, the Tenth District Young Men's club has been growing rapidly, already having 200 member in good standing. Eighteen new members joined on Monday evening, May 13, after hearing Gen. John V. Clinnin, famous World War veteran, speak on "Communism."

Any persons, between the ages of 21 and 35, residing in New Trier, Niles or Northfield townships, who are interested in joining this organization, may do so by communicating with E. C. Hintzpetter, corresponding secretary, of Kenilworth.

Mrs. Roy S. Breese, "Cappy" (Claude), and Robert, 1015 Greenwood avenue, returned recently from a three months' visit in Tampa, Fla.

Mr. and Mrs. David Balaban, 632 Forest avenue, entertained at a buffet supper on Sunday, May 12.

"YOU NEED THREE QUARTS, DOCTOR."

"WHAT I NEED IS ENOUGH SENSE TO STICK TO QUAKER STATE."

"For ten years, I had used Quaker State... driving 1000 to 1100 miles without adding oil. Then two months ago, someone induced me to try another kind. I had my Chrysler drained and filled, drove 900 miles, and during this time added 3 quarts. I was told I needed a heavier grade. So I refilled as directed, and had to add another 3 quarts. After that, I returned to Quaker State... and again drove 1000 miles without adding a drop. Hereafter, I'll know a good thing when I have it."\*
