Troop 4 Has Fine Time Celebrating 11th Birthday

Tuesday, May 14, was the eleventh birthday of Troop 4. You can't imagine the fun we had until I tell you. First we added three more second class scouts to our troop. Then several merit badges were presented. Mrs. Reynolds then gave our troop flag the gold cord it so long deserved. Then came the goodies. First we had a great big birthday cake with eleven candles on it. It was chocolate with white frosting, and Miss Humphries' mother made it.

Then we had a lot of games and each gave our fifty cents of registration.—Mary Jane McCue, scribe.

Members of Troop 8 Finally Solve Mystery

There was a mystery prevailing at our meeting since a certain Friday. Miss Taylor started it by suggesting something she was going to take to camp. The girls are supposed to name something they would like. According to what they suggest they may or may not go along. Friday two of the girls solved it. Miss Elizabeth Hoffman is our new lieutenant! We worked on signaling and later played a bean-bag game and a song-dance. We closed the meeting and mystery by singing "taps."—Blanche Kreusch, scribe.

MOTHER PASSES AWAY

Mrs. Julia W. Carroll of Boscawen, N. H., passed away at her home Saturday, May 11, at the age of 82 years. Mrs. Carroll, who was the mother of H. C. Carroll of 504 Fifth street, has a number of friends in Wilmette, as she has been a visitor here from time to time.

Miss Alice Quigley of the Georgian hotel entertained her knitting club Thursday evening of last week at the home of another member, Miss Betty Ann Shepard, 504 Fifth street.

Mr. and Mrs. Percy Cutler, 207 Woodstock avenue Kenilworth entertained at a cocktail party Friday, preceding the Kenilworth Club dinner dance.

One Half of Troop 2 Goes on "Overnight"

Fourteen eager campers, comprising half of Troop 2, set forth from Wilmette in automobiles Friday afternoon, May 17, for an "overnight" to the farm-house located near Elgin and belonging to the J. D. Coxes of Wilmette. The Girl Scouts were accompanied by Mrs. L. P. Denoyer of Kenilworth, their captain; Miss Lillian Madsen, their lieutenant; and Mrs. Paul Sundin of Chicago, who is a trained nurse and a former Girl Scout.

After their arrival the girls had supper and gathered around the Camp fire. Two of their members, Elsa Jean Green and Shirley Fix, were invested and made their Girl Scout Promise with the troop for the first time. Cora Mae Mersbach received her second class badge.

The next day the girls trailed, sketched, cooked all their meals outdoors and spent much time digging worms to feed to an orphaned baby robin which they adopted. But the hike had to end sometime—and it was all too soon, according to the girls.

The other half of the troop is eagerly awaiting its turn at the adventure which is expected during the last week of June.

Easter Rabbit Is Guest at Meeting of Troop 3

At our last meeting we had a lot of fun. One of the girls brought her pet rabbit which she got for Easter. We played a game and then the patrol leaders had court of honor. When they returned from an adjoining room, we were told to have patrol corners. The patrol leaders had a list of things which we were to take with us on our overnight hike which we plan to have out at Camp Cox. We copied down the list of things and decided on our meals. We then drew up our chairs and had a short discussion which was followed by "Taps."—Dorothea Hartwig, scribe.
