### STUDIES IN EAST

Miss Natalea Brown, a member of the Wilmette Public schools faculty, left last Thursday for Quaker Bridge, N. Y., where she is studying at the Allegheny School of Natural History. She will be there until August 24. The school she is attending is connected with the University of Buffalo. Miss Brown has charge of the science work in the intermediate grades in Wilmette.

Mrs. John W. Ballman of Detroit, Mich., is visiting her son, John P. Ballman, of 1524 Elmwood avenue.

### Improved Weather Aids Patronage at Kenilworth Beach

Attendance at the Kenilworth municipal bathing beach at the foot of Kenilworth avenue reached the highest single day's total of the season, 447, last Saturday. This mark was closely approached on July 4, when a total of 426 was recorded.

On five other days since the beach officially opened on Saturday, June 15, the attendance has been above 200. These five days and the number of persons who used the beach each day were: Monday, June 24—232; Thursday, June 27—205; Sunday, June 30—224; Monday, July 1—237, and Friday, July 5—291.

Higher air and water temperatures have been responsible for a marked increase in beach patronage during the past week and a half. The water, which was extremely cold for bathing when the season opened, is now comfortable for those who enjoy an invigorating swim.

It was reported at the Village office this week that a total of 275 season tickets for the beach privileges had been sold.

During the first week that the beach was open there were three days of continuous rain, and not a single person used the beach. Bad weather last Sunday again was responsible for a deserted beach. The attendance on Wednesday, June 26, was only 10.

### Winnetka Junior Legion Team Plays This Friday

The baseball team sponsored by Winnetka Post No. 10, American Legion, will clash with an Evanston Legion team of youths between the ages of 17 and 19, at Skokie Playfield, Winnetka, this Friday evening at 6 o'clock.

Jack Brown, who has allowed only seven hits in four games, probably will do the hurling for Winnetka.

Despite the fact that Brown pitched a one-hit game Monday, Winnetka was eliminated from championship play in the American Legion Junior league by the Rogers Park team which won, 2 to 0, behind the one-hit hurling of McGovern. The game was staged at Skokie playfield.

### AWAY FOR 2 MONTHS

Robert Willis, 1606 Forest avenue, left Monday of last week to drive to the Pacific coast for two months. He will work in a mill which his father represents, at Olympia, Wash., beginning at the bottom of the business and working up. A friend of his, Joe Mockler of Wilmette, accompanied him, and will work with him. They visited Robert's grandfather at Portland, and will stop in Seattle, Tacoma, and Bellingham, Wash. Robert is a student at Riverside Military academy at Gainesville, Ga.

Mr. and Mrs. Philip May, 1316 Ashland avenue, are leaving Saturday to motor to McLeod, Mont., where they will spend three weeks at the X-Bar-A ranch. The Mays spent the Fourth of July with Mr. and Mrs. Charles Gibson (Ethel Berger) of Winnetka at Mrs. Gibson's father's summer home at Twin Lakes, Wis.

Mr. and Mrs. Douglas Martin of Cleveland were guests on the Fourth of July of Mr. and Mrs. John Jones, 211 Golf lane.

Miss Virginia Wilson of Lockport, Ill., is vacationing in Wilmette, the guest of her friend, Miss Esther McKeighan, 1025 Greenleaf avenue.
