## Lovely North Shore Girls to Be Artist's Models

Andrew Loomis, well known artist, believes that perfect models are not always found in professional ranks, but will be found in typical North Shore homes. Mr. Loomis paints beautiful American girls for magazine covers, story illustrations and national advertising. The cover of the June 15th issue of the Saturday Evening Post is one of his recent works. Conscious of the beauty of the typical North Shore debutante he wishes to select a few to pose for him at professional model rates. Consent and cooperation of parents are required. Full responsibility is assured. Mail a photo or snap shot of your daughter with postage for return or call Winnetka 2771 for an interview. In this manner selections will be made.
